roger delves into the most mysterious aspect of life as a tractor nut the fine art of maintaining a healthy relationship with your spouse and family in addition to shop techniques the mystical aspect of tractor buying road trips and how to solve tricky tractor troubles with a case of old milwaukee

in this combination memoir and craft book award winning author jerry apps shares the next phase in his life story begun in limping through life and once a professor beginning with a boyhood surrounded by storytellers jerry takes readers along on his path to becoming one of the midwest s best known and most revered writers in characteristic no nonsense style he shares the joys disappointments and frustrations of the writing life and describes the genesis and creation of many of his best known books in recounting his nearly six decade writing career jerry provides an insider s view into the creative process delving into sources for ideas research strategies and guidelines and essential tools for writing along the way he recalls his relationships with publishers editors tv producers librarians booksellers and others and shares a scrapbook s worth of stories some funny some heartwarming a few of them harrowing from the road a book for book lovers

wars are remembered as dramas either of stirring victory or shameful defeat the forgotten war in korea depending on who is remembering has been branded as both win or lose korea sometimes vanishes within the larger narrative of the cold war a memo somewhere near the front of the tale it also hides behind larger personalities such as general macarthur president truman or television that moment in korea was the first occasion when americans were too busy for world events grandpa s war offers a nuanced perspective of the korean war the author is a student of war diaries from the first cavalry and a friend and relative to their combat engineers this telling of korea is not another by product of great colliding superpowers but rather the familiarity of farm kids and city boys who were translating strange orders into gutsy actions their instructions communists the third world were as foreign to them as the people these boys are aging now and some of them are already gone on june 25 2020 the forgotten war will be seventy years old the peninsula today would seem greatly different to these boys south korea with its burgeoning economy world class health care prestigious education and olympics has escaped its past as a third world nation the north on the other hand has never flourished these boys may not have known too much about what they were doing at the time but for the last seventy years they ve had so many confirmations of stirring victory this novel chooses to never forget these farm kids and city boys even after their war becomes a footnote of history
