outboard motor repair for the average guy fix up an old outboard and save 1000 or more compared to buying a new motor with a little know how and a few common tools you can fix an old motor bring it back from the dead sometimes all it takes is a squirt of wd 40 into the cylinder and a new spark plug or a new set of points and condensers which do not require expert knowledge or black magic to install maybe the carburetor needs cleaning and adjusting you can do it max e wawrzyniak iii is an outboard motor guru he advises you to find an old motor at a yard sale for 100 or so and he tells you exactly which ones to look for and fix it up rather than spending 1500 or more on a new motor he is a big fan of cheap power get on the water with money left in your pocket with a basic understanding of how these motors work a little logical thinking and a few hours work you can go boating for a fraction of what everyone else has to pay also for the boater who already owns an outboard motor of any age this book demystifies these internal combustion marvels that can bring such frustration if they malfunction you ll learn how they work and the simple things you can do to keep them running forever what max teaches are not only money saving skills but can also be life saving as you will no longer be helpless in the face of engine trouble on the water his clear instructions and over one hundred color photographs will make anyone into a capable outboard mechanic includes what to buy where to find it tools needed and where to begin the ignition system carburetors water pump repairs recoil starters fuel tanks propellers lower units emergency shut down fuel pump conversion remote controls shift and throttle remote control steering tiller conversion trouble shooting and onboard spares and tools this book has always been very popular and well used in its print edition now it s available as an e book so you can load it into your phone or tablet and always have this wealth of repair maintenance information at your fingertips even when out on your boat

from the cadillac to the apple mac the skyscraper to the tiffany lamp the world in which we live has been profoundly influenced for over a century by the work of american designers but the product is only the end of a story that is full of fascinating questions what has been the social and cultural role of design in american society to produce useful things that consumers need or to persuade them to buy things they don t need where does the designer stand in all of this and how has the role of design in america changed over time since the early days of the young republic jeffrey meikle explores the history of american design from the hand crafted furniture and artifacts of the early nineteenth century through the era of industrialization and the mass production of the machine age to the information based society of the present covering everything from the arts and crafts movement to art deco modernism to post modernism the moma to the tupperware bowl beautifully illustrated design in the usa also includes suggestions for further reading a timeline and a list of relevant museums and web sites it is an excellent source of information for anyone seeking to uncover the imagination and industry behind american design

in this car culture of ours what could be more american than the gas station from the roadside pit stop in the middle of nowhere to the spit and polish full service city shop this brightly illustrated history of service stations runs the gamut from east to west north to south spotlighting the culture and lore of the gas pumping garage that has kept the united states moving for a century whether it s the last chance texaco or the sinclair dinosaur winking in the distance the beckoning shell or the winged mobil horse it s here in all its small town glory of compact architecture inspired promotions art deco pumps and endless views of the american horizon author tim russell one of the world s foremost collectors and historians of petroliana rolls out the ribbon of highway that takes us to all of those way stations of americas motoring past
