god created everyone with the ability to hear his voice so in one respect the original subtitle was a misnomer a better subtitle is how to hear god s voice better this book will answer these questions what does god s voice sound like what is the single greatest problem preventing us from hearing the voice that says i love you how can we silence the multitude of many voices what is the message god wants us to understand when we get quiet become still and silence all the competing messages and voices in this world and then focus our attention on jesus you will hear god s voice perhaps the single greatest human tragedy is that god hears all our prayers but we cannot hear his answer when this happens we typically proceed to step two which is the second greatest tragedy asking other people what god thinks man has become quite content with second hand truth but this was never god s intent if you want

to know the truth then go to the source and ask him yourself if you want to hear then you will hear the problem it seems is not god's ability to speak to us but our willingness to listen we are living in the most exciting time in human history and yet this world is coming against us faster and louder with more messages that prevents us from listening for and hearing god's voice there are two kingdoms on this planet and they are in conflict with one another if you want to escape the kingdom of darkness and death to live in the kingdom of love light and life then you need to tune into the language of heaven and hear the truth there is a way of escape just listen to jesus follow him and he will deliver you from darkness and since jesus is the truth and the life we need to listen to his truth obey his instruction and understand his message of salvation see to it that you do not refuse him who is speaking to you heb 12:25
