surveys the fundamental teachings of the catholic church
discusses the church's modern influence and describes what it
means to be a catholic

offers a wealth of information about jesus and his message the bible and the people and events in it the mass and the sacraments and their rituals the church and its beliefs its saints its prayers and its traditions

the faith explained by leo trese is an all in one handbook to help you understand explain and defend the great truths of the catholic faith in brief and readable chapters it explains the purpose of human existence god and his perfections the creation and fall of man the incarnation the redemption the sacraments sacramentals prayer the importance of the bible and much more perfect for rcia classes this book is also a magnificent refresher course on the faith for catholics and an illuminating resource for non catholics with questions about the church

a summary of the essentials of catholic christian faith for those without any sophisticated background in theology ideal for use in adult education classes as well as high school classes

what sets catholicism apart from other christian faiths what does it mean to be catholic today is the bible a catholic book an invitation to catholic faith gets the catholic conversation rolling you ll learn about the rich traditions awesome mystery and fascinating people of the catholic church in clear and concise language the author explains catholic approaches to scripture tradition the sacraments spiritual practices and more wise and lively commentary plus discussion questions make this book perfect for individual or group study for rcia inquirers catechumens and candidates and for returning or practicing catholics when life is confusing troubling or disappointing the author says faith assures catholics that there is more meaning to their existence than they could possibly know book jacket

this is our faith offers a concise outline of the catholic faith based on the apostles creed this new edition provides more recent developments of the church as it has developed through the second vatican council and the vision of subsequent popes the book concludes with an important chapter on the challenges of living in a global society with multiple religions and cultures that the church must embrace to be significant throughout the twenty first century

this reference is an understandable and down to earth guide to all things catholic the resource is appropriate for brushing up on specific catholic terms and concepts or learning them for the first time catholic

this best selling guide to the catholic faith has been revised and cross referenced to the catechism of the catholic church and follows the four main divisions of the catechism belief worship christian life and prayer father oscar lukefahr an expert on catholic theology provides an overview of the catholic faith in an easy to understand format that touches on the important elements of belief and practice catholics and non catholics alike can learn how to be more faithful to christ in thinking about the meaning of life in loving god and neighbor and in experiencing life as a precious and wonderful gift from god

this book is a contemporary scripture rich and visual exploration of the catholic faith for young adults there are chapter profiles on christian role models from both ancient and modern times and discussions of contemporary events from a christian perspective adapted from back cover

this is the faith a complete explanation of the catholic faith is a comprehensive guide to the core beliefs and practices of catholicism originally published in 1951 this work discusses the nature of god and humanity the meaning of life the essence of religion sources of faith the necessity of prayer the duty of belief the consequences of sin the commandments the holy trinity belief in christ the redemption the supremacy of the pope the mystical body of christ the sacraments the mass the priesthood and devotion to mary and the saints it also addresses what happens after death and explores the devotional life of a catholic this book is highly regarded for its clear and thorough presentation of catholic doctrine making it a valuable resource for both those new to the faith and lifelong catholics seeking a deeper understanding its engaging style ensures that complex theological concepts are accessible to all readers

this book provides a concise and intelligent introduction to catholicism covering the whole range of catholic teaching christ church sacraments virtues mary and the trinity

explains the catholic faith to people who are unfamiliar with it on a very basic level uses essay question and answer and attendant scriptural liturgical texts

into all truth presents the basic beliefs of the catholic church beginning with the resurrection that extraordinary event prompted jesus followers to reflect on his identity and mission which in turn led them to see the one god as an eternal communion of father son and holy spirit the good news of the catholic church

is that god invites every man and woman into this communion with extensive use of the bible the catechism of the catholic church and the documents of the second vatican council into all truthexplains clearly and succinctly the dogmas of the catholic church that flow from her faith in the trinity each dogma is traced back to the faith of the first followers of jesus and its development over time is explored each chapter also outlines the implications of a given belief the resurrection for example has as much to say about human destiny as about the ultimate fate of jesus this book is intended for the general reader catholic and non catholic alike an online study guide is available for use with this book it is an ideal way for young adults and older adults as well to deepen their understanding of the catholic faith the online study guide can be found at

are you new to catholicism and become a recent catholic convert did you grow up catholic and return as a catholic revert are you interested in becoming catholic for the first time if you want to learn more about basic catholic beliefs waking up catholic a guide to catholic beliefs for converts reverts and anyone becoming catholic is the book for you the depth of catholic theology is one of its greatest beauties but understanding it can be one of its greatest challenges you have questions waking up catholic has answers learn about how does catholic tradition fit in with scripture why do we have a pope do catholics really worship mary why do catholics pray to saints is holy communion just a symbol of christ what is the purpose of confession do repetitious catholic prayers really work and more waking up catholic answers these questions and more from the perspective of someone who converted to catholicism himself waking up catholic may be the first catholic book you ve ever read but after you re done it won t be the last

introduces teens to catholic beliefs art culture and history as expressed in the catechism of the catholic church discussing church teachings on social issues of today and providing ideas for putting faith into action

leonard foley wrote believing in jesus to help born catholics come to a deeper understanding of the beliefs and practices they have held all their lives and to help those who approach the catholic church for the first time he wrote i hope this book will help some scared and scarred people and challenge others now in its sixth edition the best selling believing in jesus captures the christian s continuing journey of faith ever new ever alive yet always founded on god s steadfast love for us in a lively

style foley covers the complete spectrum of the catholic faith leading the reader from early old testament times through a world starting over in jesus and looking ahead to the time when jesus will come again and we will share fully in his life this edition is updated to reflect the latest church documents and events and is cross referenced to the catechism of the catholic church discussion questions will help readers to delve more deeply into the mysteries of the faith and the expanded resources section provides ample opportunities for further exploration believing in jesus is an indispensable guide to the faith we cherish

using the catechism of the catholic church as a basis the author presents a complete compendium of all the major beliefs of catholicism he offers a thorough summary of catholic doctrine morality and worship in a popular format with less technical language he presents a synthesis of the essential and fundamental catholic teachings in the light of the second vatican council and the whole of the church s tradition adapted from back cover

during the first decade of the 21st century the catholic church in the developed world has faced a decline in its moral authority increasing accusations of irrelevance to a secular age and a steep and steady decline in commitment among successive generations from the 1960s on despite this catholic schools have multiplied and grown in popularity and educational achievement the book sets out a programme for the contribution of catholic schools to the future of the church covering such topics as the religious education curriculum in its cognitive and affective aspects the sacramental life of the school selection of staff the issue of staff and catholic witness and many other topics engebretson argues that catholic schools are a powerful key to the future of the church and shows how within their diversity catholic schools can be ecclesial communities which have at their heart the building up of the church
