aus wenn die genese des ersten weltkriegs der ur katastrophe des 20 jahrhunderts als gründlich erforscht gilt verzeichnet die geschichte des

kriegsausbruchs immer noch bereiche deren bearbeitung bislang vernachlässigt wurde zu ihnen gehört die französische außenpolitik in der julikrise 1914 obwohl in der wissenschaftlichen kontroverse der zwischenkriegszeit kein konsens über motive und absichten des forgotten belligerent of july 1914 john w langdon gefunden werden konnte sind dem gegenstand nach 1945 nur wenige untersuchungen gewidmet in dieses bislang kaum beachtete terrain stößt die studie vor nicht zuletzt auf der grundlage neuer quellen entwirft sie im gegensatz zur älteren forschung von frankreich das bild einer grobmacht die im juli 1914 einen außerst riskanten und den krieg bereitwillig in kauf nehmenden außenpolitischen kurs der machtpolitischen pression und militärischen demonstration steuerte um ihren rang im internationalen staatensystem zu behaupten

who were the senior generals who took france through the first world war and why do we know so little about them they commanded the largest force on the western front through both humiliating defeats and forgotten victories they won international respect and adoration but also led their army to infamous mutiny nevertheless the french and their allies under a french general in chief would eventually achieve final victory over imperial germany it is extraordinary that this remarkable group of men has been so neglected in histories on the war previous studies are outdated and haven't tapped the wealth of primary source material in france's military archives it is this gap in the literature and in the understanding of the conflict that this thought provoking and original volume is designed to address it takes a collective biographical approach to the leading french soldiers who ran the war on the western front

a century ago general joffre as chief of the french general staff led the armies that blocked the german invasion at the first battle of the marne he saved paris from occupation and france from probable defeat his calm demeanour when faced with a disaster his ruthless dismissal of incompetent subordinates and his skilled redeployment of his forces contributed to a historic victory at the time many saw him as the saviour of the nation but what should we make of him now for joffre contributed to the failures of the french army and its strategy before the war and during the first battles of 1914 also his conduct of the war after the marne futile offensives that cost thousands of lives and gained no ground followed by near defeat at verdun undermined his position and led to his dismissal although he remained immensely popular in france his reputation has been under a cloud ever since and he has been overshadowed by the french generals ptain and especially foch who commanded the french army at the time of the final victory over germany andr bourachot in this lucid and highly readable study of joffre s career focuses on his performance during the opening phase of the great war he offers a fresh and carefully considered view of the man and the soldier
