from the fall of 1947 through the summer of 1951 composer igor stravinsky and poet w h auden collaborated on the opera the rake's progress at the time their self consciously conventional work seemed to appeal only to conservative audiences few perceived that stravinsky and auden were confronting the central crisis of the modern age for their story of a hapless eighteenth century everyman dramatizes the very limits of human will a theme auden insists underlies all opera in the last opera chandler carter weaves together three interlocking stories the central and most detailed story explores the libretto and music of the rake's progress the second positions the opera as a focal point in stravinsky's artistic journey and those who helped him realize it his librettists auden and chester kallman his protégé robert craft and his compatriot fellow composer and close friend nicolas nabokov by exploring the ominous cultural landscape in which these fascinating individuals lived and worked the book captures a pivotal twenty five year span from approximately 1945 to 1970 during which modernists like stravinsky and auden confronted a tectonic disruption to their artistic worldview ultimately carter reveals how these stories fit into a larger third narrative the 400 year history of opera this richly and lovingly contextualized study of the rake's progress sheds new light on why despite the hundreds of musical dramas and theater pieces that

have been written since its premier in 1951 this work is still considered the the last opera

divided into three sections linda phyllis austern collects eighteen cross disciplinary essays written by some of the most important names in the field to look at this stimulating topic the first section focuses on the cultural and scientific ways in which music and the sense of hearing work directly on the mind and body part two investigates how music works on the socially constructed representational or sexualized body as a means of healing beautifying and maintaining a balance between the mental and physical finally the book explores the action of music as it is heard and sensed by wider social units such as the body politic mass communication from print to sound recording and broadcast technologies
