instructional manual for the training of individuals for the office of a deacon

servants in charge is a training guide for elders and deacons with a study guide included servants in charge define the roles of elders and deacons and offers practical suggestions for selecting these important leaders and for servants who find themselves in charge there are guidelines toward effective and fruitful ministry have you ever been in an office or a place of business when someone walked in and asked who s in charge here can it be that the people who enter your church ask the same question but it is important to realize the answer is not a mystery in a beautiful parable about his second coming jesus made it clear that his servants are in charge these people are known not so much for their position or power but for their attitude of true servant hood in servants in charge we find that dr bailey deals with the topics of who a deacon and elder are to be to what their qualifications are from a scriptural basis he also goes on to explain their biblically based ministries and their spiritual gifts as laid out in the new testament he completes this short study with a guide for preparation for them and their election and consecration a great must have for the church today

indifference toward deacon development places the church in a precarious state by and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office when pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in christ on the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled they come to perceive the office as one of service rather than honor the church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor unquestionable god is looking for a special breed of deacons a new testament breed who are spirit filled and qualified to say that deacons are qualified is to say also that they are trained for the work of deacons
