can one car transform a nation the ford model t did do so a century ago  
 when it replaced the horse brought about a revolution in agriculture  
 became a stimulus to urbanization that eventually changed the  
 landscape of america though the maruti 800 the tata indica the hyundai  
 santro and the maruti alto became engines of growth for india these  
 cars neither drove away the cow nor changed the way indians travelled  
 tata's nano was expected to change all that and become the ultimate  
 people's car capturing the imagination of the middle class across  
 nations and cultures in spite of its petite dimensions the nano was meant  
 to stand tall yet it did not what caused it to fail and fall from grace  
 despite being lauded as the 'right product at the right time' and 'the  
 most significant new car since the ford model t was introduced 100 years  
 ago' but is it really all over or is there still hope for india's 'little
