an investigation of the evidence in talmudic gnostic apocalyptic partristic and legendary texts concerning immortal winged beings

for anyone who has ever wondered just what an angel is here you will find everything you could wish to know about angels and angelic beings and their attributes

this dictionary a5 size was written to help people learn who the angels are and show how they can be asked for assistance and guidance angels always want to help and can be called upon to bring happiness into our lives this book is not a religious book as the angels are prepared to work with anyone regardless of their religious beliefs or opinions many of us are aware of the main archangels michael gabriel raphael and uriel but there are many other angels who want to help you will see that in this book every page is dedicated to a different angel so you can learn about a new angel everyday of the year you can also consider the different thoughts of the day which will help you to look at different aspects of your own life in more detail

explores the rich history of angels in america from spanish colonialism and puritan culture to modern incarnations found on tv in movies in comic books and on bumper stickers finds that americans have constructed the useful angel as a servant of man rather than an agent of god

this comprehensive dictionary features detailed entries on all the angelic references in judaism christianity and islam as well as angel figures from other traditions such as zoroastrianism it also includes angels in folklore in a wide range of literary and spiritual writings both ancient and modern and in the visual media of television and film the entries are cross referenced to show how an angel may appear in a number of different guises for example the role of an angel such as gabriel in judaism christianity and islam they contain numerous details about the supposed physical appearance of the angel their function what they were designated to guard and why their place in hierarchy of angelic beings who fell with lucifer all the names they were known by and in which spiritual tradition it also includes a separate index so that angels can also be looked up by their function or area of influence which is particularly helpful as so many of the names attributed to angelic beings are unfamiliar an extensive list of resources is provided should the reader wish to explore further the lore of angels

enlarged by some 50 percent and equipped with more comprehensive name and subject indexes the second edition of this unique guide contains bibliographic and descriptive annotations for 8 000 dictionaries it features 1 500 additional bilingual works 400 new subject categories and all the major electronic dictionaries produced in english while the primary emphasis is on language dictionaries subject dictionaries on topics as varied as ceramics bookbinding and theatre as well as dictionaries issued by international bodies and agencies are included covering all the world s languages works may be bilingual monolingual or multilingual as long as there is an english element

the only author already in print discussing the history of higher angels appears to be mother alexandra an orthodox nun who wrote the holy angels this presentation also concentrates on those higher angels but also briefly reviews those lower

less dramatic guardian angels after studying angel apparitions in the old testament the christian era presents a dramatic increase in angel activities joining the older traditional michael and gabriel we are introduced at the transfiguration to moses and elijah those two giants of judaism these latter have somewhere in time become new archangels on that mount tabor jesus also acquires archangel status when the mighty spirit of david the third giant completes exactly one thousand years of penance and is transfigured into this carpenter from nazareth mary the mother of angels in the roman catholic tradition receives archangel status upon her death also emerging in that first christian century is satan the fallen archangel a serious consideration of satan is vital because each one of us must overcome satan s earthly temptations in order to reach the promised land thereafter mary and jesus appear in angel form over the christian centuries sometimes together more often alone in their attempt to bring peace to a troubled world

we are not alone in this life god sends angels to teach protect warn and comfort each of us in our individual circumstances with tender stories and profound insights this book highlights the different types of angels the roles they play in mortality and how we can grow closer to our family members on the other side recognize the angels at work in your own life

this study looks at the way the church utilized the belief in angels to enforce new and evolving doctrine angels were used by clergymen of all denominations to support their particular dogma sangha examines these various stances and applies the role of angel belief further to issues of wider cultural and political significance

many people believe in and practice praying to the lord but the bible is very clear that the lord also speaks back to us in various ways this book goes into detail about the 7 different ways that god speaks to us as found in the bible and how that applies to our lives today it reveals to us that these 7 areas are not just the different ways that god still speaks to us but that when looked at as a whole they are a picture of what a healthy relationship with god involves it further shows that this kind of intimate relationship is available to all believers and that this is exactly the kind of relationship that god desires to have with each of us throughout the book several biblical and personal examples are used to validate each section the reader is also given opportunities to see how god has already been talking to them in his her own life and then record these examples at the end of every chapter each person who reads this book is challenged to grow in his her relationship with the lord and is given many tools to help accomplish that this is important because when a believer has an intimate relationship with the lord they hear his voice more clearly the holy spirit is then better able to guide and empower the believer to become victorious in their daily walk

illustrated stories of angels through history

guardian angels do not forget to entertain strangers for by so doing some have unwittingly entertained angels hebrews 13 2 saved by angels reveals how the lord reaches out to all people in various ways as proven through this deeply personal journey of an everyday man who overcame addiction and near death through god s supernatural intervention scripturally sound every page screams how much god loves you you will see through spiritual eyes and a softened heart what your heavenly father has done in your life to try to talk to you touch you and build a relationship with you using a testimonial style approach filled with numerous personal stories and answers to prayer this expanded edition addresses

seven ways god communicates with his beloved children prayer scripture dreams and visions other people the holy spirit life circumstances angels this knowledge inspires all people to deepen their relationship with the living god as they realize that god s grace and mercy are not reserved only for those who have made all the right choices can recite 100 bible verses or stand behind a pulpit god s love is for everyday people everyday includes study guide and dvd

a thorough comprehensive guide to the world of angels angels whose principal employment is the protection and encouragement of human beings are more popular than ever in this age of uncertainty it is easy to understand why the concept of angels is so comforting while much has been written about angels throughout history no single source examines them as thoroughly or as thoughtfully as angels a to z written by an angel expert and a recognized authority on nontraditional religious movements this enlightening resource is one of the most comprehensive books on angels and angel related topics currently available more than 300 entries drawn from multiple religions such as christianity islam and hindu traditions as well as from pop culture are included celebrity angels obscure angels still waiting for their big break classifications of angels guardian angels fallen angels biblical figures associated with angels angels in art and architecture and angels in the media and literature how ancient contemporary and pop cultures represent angels in their mythology folklore architecture art literature religion and so much more angels a to z explores a wide assortment of topics including gabriel michael lucifer and other biblical angels angels in various religions christianity islam hinduism different classifications of angels such as the valkyries from norse mythology and hafaza from islamic tradition fallen angels guardian angels obscure angels and angels across religious traditions authors who write about angels including frank peretti joan wester anderson eileen freeman terry lynn taylor and others artists who depict angels such as michelangelo raphael glenda green and karyn martin karl beloved fictional characters like clarence from the film it s a wonderful life if you want to know more about the rich and important history of these spiritual beings angels a to z is the answer to your prayers with more than 130 photos and illustrations this riveting read is richly illustrated and its helpful bibliography and extensive index add to its usefulness
