this edited collection explores diverse perspectives about today s college students from a variety of higher education stakeholders including faculty researchers policymakers administrators parents and students themselves all too often those

concerned with higher education make assumptions based on outdated information the voices in this volume provide a grounded and real understanding of college students and explore how we might better support them in our colleges and universities each section includes a series of essays with a culminating chapter written by scholars who analyze contextualize and ground these perspectives in theory multiple perspectives on college students brings current data and experience to light in a way that helps readers understand the needs and opportunities for supporting all college students for success

the public outcry for a return to moral education in our schools has raised more dust than it s dispelled building upon his provocative ideas in on becoming responsible michael pritchard clears the air with a sensible plan for promoting our children s moral education through the teaching of reasonableness pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community in such an environment children learn to work together to listen to one another to build on one another s ideas to probe assumptions and different perspectives and ultimately to think for themselves advocating approaches to moral education that avoid mindless indoctrination and timid relativism pritchard neither preaches nor hides behind abstractions he makes liberal use of actual classroom dialogues to illustrate children s remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truth-telling lying making and keeping promises obedience character and responsibility he also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state pritchard draws broadly and

deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers the result is a rich and insightful work that provides real hope for the future of our children and their moral education

compilation of essays and paragraphs for college and university students compilation is that rare english book that can actually help students to write coherently and logically about many topics and subjects compilation has been put together and designed as a complete and a comprehensive book for helping young and adult learners in college to write and understand the structure of essays and paragraphs this book is unique because every essay talks about something that is real in this life compilation provides an eclectic approach to the presentation of many current topics and subjects that teachers usually ask students to write about in college lucid in aptitude to help others refreshingly candid about his gift of teaching from his god evenson here put together in this book many pieces of his own writings of his previous years in college to motivate other students to write essays without fear and he inspires native and nonnative english speakers to trust in their capacity to analyze understand and write about any subject but he wants to remind everyone that perfection does not exist in this world that s why everyone should try to write without fear imperfectionthe imperfection mistake and error that are willingly let go in this book characterize its beauty because it s purely a student s writing activities in addition the lack of expertise format makes it more appealing to students furthermore it s purely at the level of most students to utilize as a very good model to write their assignments while in college or university beautythe beauty of this book is that it can be used as a simple reading book and also a text book compilation is a book for college students who have difficulties to write essays and paragraphs the essays and paragraphs are based on subjects or topics currently discuss in college the samples of essays and paragraphs will help the learners in the courses strategies for college success political theories

speech english preparatory english compositions one and two bible as literature theater appreciation political science mba and many more the examples in this book will take the students from the very beginning to a knowledge and control of various essential sentence structures paragraphs and essays of the english language this book is the result of homework and exams in college and in university compilation retains the current basic ordering of structural points that students are encountering daily in college or university and the same frequency of vocabulary as used in college level or academic english the present book however is not difficult for students to get familiar with because the organization and approach are very easy to understand compilation makes a serious and sincere effort to develop three language skills such as reading understanding and writing the essays and paragraphs put together with the principles of naturalness as a matter of fact this book compiles the writings of evenson dufour the author that learns english from scratch as he is a non native english speaker the development of diverse styles of writing and structure goes on at an orderly pace however the essays and paragraphs are not slaves to this sequence they aspire at natural academic english and include some concepts from other languages that probably can be difficult to accept as academic concepts and sometimes anticipate structures to be studied later on ninety eight percent of paragraphs and essays have questions for comprehension of the texts teachers professors and instructors will find this book amazing to help their students generating ideas the present book is the effort made by evenson dufour whom wants to help every english speaker or english learner to read understand and write in english without fear
