this title is a diy workshop manual for jaguar mk i and ii 240 and 340 owners the book features maintenance and repair procedures for these vehicles

when launched the ford capri was revolutionary it was a car that set the european market alight allowing even a buyer on a modest budget an intoxicating whiff of the exotic whilst keeping running costs at affordable levels that status eroded over time and the capri sat in the classic car doldrums for many years its true worth unrecognised that situation has thankfully changed and capri values are rising rapidly so care has to be taken to make sure you end up with the best one possible for your money this guide takes the potential purchaser through a short initial examination to weed out the obviously defective followed by a more comprehensive step by step look at the body and mechanical parts where the clear jargon free text accompanied by over 100 photographs sheds light on even the darkest corners of the capri s construction a unique points marking system ensures that nothing is overlooked and an accurate final picture of the car s condition can be viewed in relation to the asking price

the essential guide to buying the lotus europa of your dreams this book will guide you through all you need to know originally intended to be a cheap and basic lotus seven replacement during its development the lotus europa morphed into a miniature supercar described by colin chapman as a working man s gt40 which sat alongside the elan in the lotus line up its mid engined configuration gave it exceptional balance and its handling and roadholding were second to none initially produced for export to europe in late 1966 the renault powered car evolved into the series 2 in 1968 when it was released to the uk and us markets and in its final iteration gained the lotus own twin cam engine in 1971 production ended in 1975 with around 9200 cars completed this book has been written to provide the prospective owner with all the information they need to establish if the car is for them and what to look for when viewing an example all aspects of the cars are examined

including paperwork mechanical issues bodywork and interior with many photos of example cars to assist in the assessment of an individual car and understand the implications of many of the common problems that a car can exhibit the author is a lotus enthusiast and has been working on and writing about classic lotuses for a number of years

the controversial mg saloon cars of the 1960s which form an important part of the history of mg cars

a unique book dedicated to the murcielago lamborghini s iconic flagship with its v12 bizzarrini engine spaceframe chassis and scissor doors this was the last car to use the classic bizzarrini engine

very few motorcycles have carved a mark in history like the vincent v twin from its arrival in 1946 and up to the present day on the road in club racing in drag races or competing for land speed records it dominated the motorcycle world leading to the famous catchphrase coined by the factory the world s fastest standard motorcycle it was a fact not a slogan images such as that of rollie free in swimming trunks laying flat on his works modified black shadow and taking the american motorcycle land speed record at bonneville in 1948 have now passed into posterity in fact the big vincent was so ahead of its time that it continued to compete successfully almost arrogantly in racing until the mid 1970s against modern bikes no other motorcycle in the world can claim this kind of achievement following the premature ending of vincent production fritz egli s 1967 egli vincent was the first chassis completely redesigned for a vincent in 21 years egli s machine inspired numerous builders for several generations and this book traces holistically the story of all those motorcycles in the broad context of the classic and modern history of the vincent understand how the flame of passion still burns brightly today
