collector's edition from New York Times bestselling author Laurelin Paige *Fixed on You* is a USA Today bestseller and book one in the trilogy that People magazine named in their top ten reader favorites of 2014. This book blew me away. Emma Hart, New York Times bestselling author of *The Love Game*, read it in an air-conditioned room or turn on the fan. It is hot. Melanie Harlow, author of *Speak Easy*, *Fixed on You* is the first book in a trilogy but ends without a cliffhanger due to mature material. It is recommended for ages 17+. Stalking and restraining orders are a thing of Alayna Wither's past. With her MBA newly in hand, she has her future figured out. Move up at the nightclub she works at and stay away from any guy who might trigger her obsessive love disorder. A perfect plan, but what Alayna didn't figure on is Hudson Pierce, the new owner of the nightclub. He's smart, rich, and gorgeous. The kind of guy Alayna knows to stay away from if she wants to keep her past tendencies in check. Except Hudson's fixed his sights on her. He wants her in his bed and makes no secret of it. Avoiding him isn't an option after he offers a business proposition she can't turn down and she's drawn further into his universe, unable to resist his gravitational pull. When she learns Hudson has a dark history of his own, she realizes too late that she's fallen for the worst man she could possibly get involved with. Or maybe their less than ideal pasts give them an opportunity to heal each other and finally find the love their lives have been missing.

Every page of Hudson and Laynie's story is bite your lip, sexy. Kristen Proby, New York Times bestselling author, book two in the bestselling *Fixed* series. I've only had one kind of relationship, the kind that makes me obsessive and stalker crazy. Now that Hudson Pierce has let me into his heart, I'm determined to break down the remaining walls between us so we can build a foundation that's based on more than just amazing sex. Except Hudson's not the only one with secrets with our pasts pulling us into a web of unfounded mistrust. I turn to the one person who knows Hudson the best: Celia, the woman he almost married, hoping for insight from someone who understands all sides of the story. I form a bond with Celia that goes too far, revealing things about Hudson that could end our love for good. This is the first relationship where I haven't spiraled out of control and I might lose Hudson anyway.
