black people of america we need to stop reading books about thug life and street life we need to read books that will open our minds to ideas and issues that will help us and our families and the future of black generations of this country black people of america we were here before most of the other nationalities that are here now we should be in a much better financial situation than we are in now most of us are at the bottom or near the bottom of the economic scale as a whole we have to learn from the foreigners that stick together and open up businesses in our community plus we have to stop giving our hard earned money to other nationalities and none to ourselves in a way we are still slaves i wrote this book to inspire black americans to open there eyes to the positive changes we need to make to help our families and future black generations in america this book shows how we are living compared to other nationalities in america as well as the factors that are holding us back as a whole we must remember our ancestors and the sacrifices they made when they were slaves they were the strongest people in the world and we are their descendants i feel they were superhuman beings to make that trip from africa to america we as black americans have that same ability in us to survive remember we are the alpha race we need to wake up and stop hitting the snooze button may god bless this book and everyone that reads it

lost in a memory this book is an expression about a journey through life it tell a story of love and pain and it also take a journey through the ghetto through a black man eyes it is a mirror into my soul it is reflation s of my life through poetry

face it women fall into a beauty rut at a certain age when their tried and true makeup techniques just aren't working anymore that's when you know it's time for a makeup wakeup beauty experts lois joy johnson and sandy linter say it's time to learn what will work for women 40 now the makeup wakeup shares lois and sandy's inside information on what stars do how to face demons like brow abuse and sun damage even a fail proof shopping guide though focused on the simplicity of makeup the authors also consulted with three prominent doctors to address the concerns of women who opt for cosmetic procedures lois and sandy say women 40 tell us they feel invisible in a world of beauty that is really marketing to younger women we felt a need to write a beauty guide we'd read ourselves one that solved the kinds of issues women face every day

dreams play a significant role in our life meaningfully affecting us in the development of our personality and our spiritual journey they are an everyday experience for any human being dreams have always been of great interest to poets and philosophers alike since ancient times and examples are aplenty in indian and western scriptures however it is an uphill task for an ordinary person to fully appreciate the intricacies and significance of dreams in the day to day life it is here that this book proves as an invaluable guide providing deep understanding on the nature of dream and sleep this book is a repertoire of human wisdom gathered for centuries and attested by the modern science offering enormous insights into our dream and deep sleep states it asks from a common man's point of view many a question that perturb us and provides answers to them from the scientific and spiritual perspectives in a captivating way some such questions include do we see dreams in black and white or in colour what does a visually challenged person see in his dreams why are some of our dreams extraordinarily vivid with electric colours the clarity and brilliance of which we may never encounter in our ordinary waking lives why are we non reflective irrational in our dreams are the dream time and waking time equal how does our memory work in dream state why do we forget our dreams and is it possible to improve dream recall and cultivate awareness in dreams why do we fail to distinguish a dream object from the physical world object while we are dreaming if the dream experience exactly feels like the real world and we fail to distinguish it from the waking world while we are dreaming how can we be certain that we are not dreaming now how does a dream contain various persons exhibiting opposite emotions at the same time when all the dream characters including the witnessing dreamer are produced out of single mind of the dreaming person can we intentionally transform the dream scenarios if so what would be the philosophical implications of it can dreams and sleeps be utilized for spiritual elevation and many more questions we always wondered about the daily eight hours of our bed time but never got the right answers to we find new meanings and ways in dealing with our dreams in this volume therefore it is a must read for every dream enthusiast as well as any serious spiritual seeker

seeds in the garden offers a word for whatever situation you may be faced with in life in this collection of poetry you will find strength encouragement and a word to brighten your day or a love ones day seeds in the garden is truly a book to add to your collection it is poetry unlike any poetry you have ever read before the author captures your attention and takes you into her world and her most intimate thoughts with the use of poetic dialect this book will be a topic of discussion for generations to come
