we started asymmetrical for a laundry list of reasons but all those reasons point back to one underlying goal adding value if asymmetrical has a single objective that is it we know that if we add enough value to enough people through asymmetrical then we'll be able to raise the tide of independent publishing not just our own work but indie publishing as a whole that way everyone benefits a rising tide lifts all boats adding value is the reason we've put together this guide we want to prove to you that you needn't worship at the altar of the old guard that you needn't submit to anyone you can successfully publish on your own soup to nuts controlling every morsel of the process the present day is the most exciting time in history to be an author no longer are you beholden to the gatekeepers no longer must you compromise your art for the first time in publishing history you are in control we know this first hand the authors of this guide aren't some hacks who just write about writing nope rather when we weren't happy with the publishing landscape we took matters into our own hands we refused to wait for someone else's permission to publish our work and guess what we've been successful we've published over 30 books nonfiction fiction and memoirs several of which have been bestsellers we've toured internationally and we've established audiences larger than most traditionally published authors but that's because we're not

just authors and neither are you over the course of is guide we ll show you based on our own experience as successful independent authors how to publish an indie book this book includes six chapters 1 how to write a book2 how to edit and proofread your book3 how to create a book cover author bio and synopsis for your book4 how to format your book for print ebook and audiobook5 how to distribute your book via various sales channel6 how to successfully promote your book to an audience
