new orleans jazz dixieland chicago jazz swing bebop cool jazz hard bop and free jazz up until today the history of jazz is told as a tradition consisting of fixed components including a succession of jazz styles how did this construction of music history emerge what were the alternative perspectives and why did the narrative of a fixed tradition catch on in this study mario dunkel examines narratives of jazz history from the beginnings of jazz until the late 1950s according to dunkel the jazz tradition is simultaneously an attempt to approach historical reality and the product of competition between different narratives and cultural myths from the middlebrow culture of the 1920s to the new deal the african american civil rights movement and the role of the u s in the cold war dunkel shows in detail how the jazz tradition as a global narrative of the twentieth century is intertwined with greater social and cultural developments

as a popular music the evolution of jazz is tied to the contemporary sociological situation jazz was brought from america into a very different environment in britain and resulted in the establishment of parallel worlds of jazz by the end of the 1920s within the realms of institutionalized culture and within the subversive underworld tackley n parsonage demonstrates the importance of image and racial stereotyping in shaping perceptions of jazz and leads to the significant conclusion that the evolution of jazz in britain was so much more than merely an extension or reflection of that in america the book examines the cultural and musical antecedents of the genre including minstrel shows and black musical theatre within the context of musical life in britain in the late nineteenth and early twentieth centuries tackley is particularly concerned with the public perception of jazz in britain and provides close analysis of the early european critical writing on the subject the processes through which an evolution took place are considered by looking at the methods of introducing jazz in britain through imported revue shows sheet music and visits by american musicians subsequent developments are analysed through the consideration of modernism and the jazz age as theoretical constructs and through the detailed study of dance music on the bbc and jazz in the underworld of london the book concludes in the 1930s by which time the availability of records enabled the spread of hot music affecting the live repertoire in britain tackley therefore sheds entirely new light on the development of jazz in britain and provides a deep social and cultural understanding of the early history of the genre

as musicians listeners and scholars have sensed for many years the story of jazz is more than a history of the music burton peretti presents a fascinating account of how the racial and cultural dynamics of american cities created the music life and business that was jazz from its origins in the jook joints of sharecroppers and the streets and dance halls of 1890s new orleans through its later metamorphoses in the cities of the north peretti charts the life of jazz culture to the eve of bebop and world war ii in the course of those fifty years jazz was the story of players who made the transition from childhood spasm bands to carnegie hall and worldwide touring and fame it became the music of the twenties a decade of prohibition of adolescent discontent of harlem pride and of americans hoping to preserve cultural traditions in an urban commercial age and jazz was where black and white musicians performed together as uneasy partners in the big bands of artie shaw and benny goodman blacks fought back by using jazz states peretti with its unique cultural and intellectual properties to prove assess and evade the dynamic of minstrelsy drawing on newspaper reports of the times and on the firsthand testimony of more than seventy prominent musicians and singers among them benny carter bud freeman kid ory and mary lou williams the creation of jazz is the first comprehensive analysis of the role of early jazz in american social history
