die episkopalisierung der kirche bedeutete mehr als nur den ausbau von macht kompetenzen und befugnissen eines bischofs sie war ein universales alles durchdringendes prinzip alle bereiche der gesellschaft waren nicht mehr ohne eine bischöfliche prägung vorstellbar die in alle richtungen ausstrahlte die episkopalisierung der kirche lässt sich besonders gut im direkten umfeld der bischöfe beobachten und damit in der diözese die den zentralen ort der aushandlung und der etablierung der bischofskirche bildete die beiträge des sammelbands verfolgen und analysieren diesen zentralen transformationsprozess im frühen und hohen mittelalter in einem europäischen vergleich indem sie fallbeispiele von skandinavien bis spanien und byzanz sowie von irland bis osteuropa und den nahen osten in den blick nehmen

the british archaeological association conference held at peterborough in 2015 provided a welcome opportunity for a new analysis of the cathedral's architecture sculpture and artistic production and a reassessment of the relationship between the former abbey the city and its institutions and the soke over which it held sway this ambitious volume

casts new light on the roman occupation of the nene valley and the rich anglo saxon sculptural and manuscript context that preceded the construction of the present cathedral as well as exploring the vital romanesque tradition of the soke and the essential contribution of the barnack quarries but inevitably the most exciting new disclosures concern the church its high quality building campaigns during the 12th to 16th centuries its abbots tombs and the reconstruction of the lost 14th century high altar screen from descriptions and loose fragments peterborough has attracted the attention of antiquarian scholars since its sacking by cromwell s men during the civil war and as its secrets are gradually revealed it continues to stimulate the historical imagination

the book consists of three parts i introduction including the history of research detailed paleographical and codicological analysis and discussion of the other anglo saxon chronicle manuscripts and their textual relations ii the critical edition presenting the text in its immediate seventeenth century manuscript context with notes iii the modern english translation including detailed historical and philological notes a bibliography indexes and extensive comparanda complete the book this edition translation and commentary greatly enhance the accessibility and research potential of one of the most important primary sources for the history language and culture of anglo saxon england

comparing works by the two most prolific authors of the era byrhtferth of ramsey and aelfric of eynsham rebecca stephenson explains the politics that encouraged the simultaneous development of a simple english style and an esoteric latin style
