in ontology realism and anti realism may be taken as opposite attitudes towards entities of different kinds so that one may turn out to be a realist with respect to certain entities and an anti realist with respect to others in this book the editors focus on this controversy concerning social entities in general and fictional entities in particular the latter often being considered nowadays as kinds of social entities more

specifically fictionalists those who maintain that we only make believe that there are entities of a certain kind and creationists those who believe that entities of a certain kind are the products of human activity present themselves as the champions of the anti realist and the realist stance respectively regarding the above entities by evaluating the pros and cons of both these positions this book intends to focus new light on a longstanding debate

learn about many unanswered questions un discussed concepts like how to master time management to be successful and why only a few people are rich successful how to know explore self how to choose a skill or a course how improving our thinking abilities and soft skills can transform your life how our current goals are the reasons for our mediocre life how to build your self worth how to progress in career what is value based thinking how to build your self monetization framework what is tap theory how to think how to become a creator how to become irreplaceable

reprint of the original first published in 1874

this commentary by gareth lee cockerill offers fresh insight into the epistle to the hebrews a well constructed sermon that encourages its hearers to persevere despite persecution and hardships in light of christ s unique sufficiency as savior cockerill analyzes the book s rhetorical chiastic shape and interprets each passage in light of this overarching structure he also offers a new analysis of the epistle s use of the old testament continuity and fulfillment rather than continuity and discontinuity and shows how this consistent usage is relevant for contemporary biblical interpretation written in a clear engaging and accessible style this commentary will benefit pastors laypeople students and scholars alike

this book grapples with fundamental questions about the evolving nature of pictorial representation and the role photography has played in this ongoing process these issues are explored through a close analysis of key themes that underpin the photography practice of canadian artist jeff wall and through examining important works that have defined his oeuvre wall s strategic revival of the picture has had a resounding influence on the development of contemporary art photography by expanding the conceptual and technical frameworks of the medium and introducing a self reflexive criticality naomi merritt brings a new and original contribution to the scholarship on one of the most significant figures to have shaped the course of contemporary art photography since the 1970s and shines a light on the multilayered connections between photography and art this book will be of interest to scholars in the history of photography art and visual culture and contemporary art history

the world of fatwas provides a new prism to non muslims for observing islam and holds up a mirror to muslims challenging them to necessary

introspection for adjusting to a changing world j n dixit diplomat and former indian foreign secretary of outlook why are women the greatest affliction why is slaughtering cows seen as a great islamic act when the quran does not even mention it why must believers put down non believers in this meticulously researched book arun shourie looks at the social religious and political contexts of fatwas down the ages with a mountain of fatwas as his text he shows us the shariah in action he unravels the history of fatwas and the implications that a faithful dogmatic adherence to these islamic decrees holds for the believer and hence for the non believers first published in 1995 this revised up to date and expanded edition provides both muslims and non muslims alike an even more clear eyed look at the controversial world of fatwas
