a cartoonist chronicles how he and his grown siblings dealt with their mother's cancer diagnosis and treatment in this eisner award winning graphic novel mom's cancer is a graphic novel about one family's struggle with metastatic lung cancer honest unflinching and sometimes humorous it is a look at the practical and emotional effect that serious illness can have on patients and their families in the end it is a story of hope uniquely told in words and illustrations praise for mom's cancer winner of the 2005 eisner award best digital comic for the original version winner of the harvey award best new

talent the clean simple comic strip quality of fies's art fits the story perfectly highlighting the gravity of the situation while cutting away undue sentimentality mom's cancer is a quiet courageous account of one family's response to a universal situation publishers weekly in a suave comic strip style rather like those of gary trudeau and berkeley breathed fies traces the events of his mother's illness primarily from the perspective of her three children including nurse sis and kid sis adult but the youngest as well as himself depicting a family dependably if warily dealing not without anger and feelings of inadequacy with each crisis and change that cancer brings fies book may be one of the most well balanced contributions to the literature of coping with cancer booklist

timed for the 20th anniversary of the critically acclaimed eisner award winning webcomic turned graphic novel mom's cancer is a revised and expanded edition featuring 32 pages of all new material with 22 additional comics pages and new essays from brian fies nurse mk czerwiec cofounder of graphicmedicine.org and editor charles kochman this edition is a must have winner of the first ever eisner award for best digital comic mom's cancer was the reason the category was created and has been hailed as one of the 10 most important eisner award winners of all time by comic book resources cbr an honest unflinching and sometimes humorous look at the practical and emotional effect that serious illness can have on patients and their families mom's cancer is a story of hope one that has changed the lives of readers worldwide created new fields in the comics industry and was the inspiration for graphic medicine a field that explores and supports the interaction between the medium of comics and the discourse of healthcare mom's cancer first gained notice online as a webcomic it was posted anonymously by brian fies with the intention of sharing information and insights gained from his family's experience just prior to publication mom's cancer became the recipient of the first ever eisner award for best digital comic and went on to win the german youth literature prize the harvey award for best new talent and the lulu blooker prize and received multiple nominations including best book for young adults from the american library association it has also been translated into seven languages and counting japanese brazilian portuguese french german italian slovenian and spanish twenty years later mom's cancer continues to resonate with readers all over the world this revised and expanded anniversary edition features 32 pages of all new material including 22 additional comics pages and essays from fies and nurse mk czerwiec cofounder of graphicmedicine.org that will provide readers and

teachers and practitioners with context and resources for how to use this book and an introduction by editor charles kochman

let s face it cancer sucks this book provides real life advice from real life teens designed to help teens live with a parent who is fighting cancer one million american teenagers live with a parent who is fighting cancer it s a hard blow for those already navigating high school preparing for college and becoming increasingly independent author maya silver was 15 when her mom was diagnosed with breast cancer in 2001 she and her dad marc have combined their family s personal experience with advice from dozens of medical professionals and real stories from 100 teens all going through the same thing maya did the topic of cancer can be difficult to approach but in a highly designed engaging style this book gives practical guidance that includes how to talk about the diagnosis and what does diagnosis even mean anyway the best outlets for stress punching a wall is not a great one but should it happen there are instructions for a patch job how to deal with friends especially one the ones with pity eyes whether to tell the teachers and guidance counselors and what they should know how not to get embarrassed in class what happens in a therapy session and how to find a support group if you want one a special section for parents also gives tips on strategies for sharing the news and explaining cancer to a child making sure your child doesn t become the parent what to do if the outlook is grim and tips for how to live life after cancer my parent has cancer and it really sucks allows teens to see that they are not alone that no matter how rough things get they will get through this difficult time that everything they re feeling is ok essays from gilda radner s gilda s club annual contest are an especially poignant and moving testimony of how other teens dealt with their family s situation praise for my parent has cancer and it really sucks wisely crafted into a wonderfully warm engaging and informative book that reads like a chat with a group of friends with helpful advice from the experts paula k rauch md director of the marjorie e korff parenting at a challenging time program a must read for parents kids teachers and medical staff who know anyone with cancer you will learn something on every page anna gottlieb mpa founder and ceo gilda s club seattle this book is a must have for oncologists cancer treatment centers and families with teenagers kathleen mccue ma lsw ccls director of the children s program at the gathering place cleveland oh my parent has cancer and it really sucks provides a much needed toolkit for teens coping with a parent s cancer jane saccaro ceo of camp kesem a

camp for children who have a parent with cancer

our journey takes us into the lives of an immigrant family from canada who came to the united states looking for a better life warmer climate for their children from canada to across the border in detroit michigan to colorado and finally the pacific northwest step into the life of my mom the preacheraeur tm s wife find out if god treats her same in life as you learn how god worked in their lives and how you can get the blessings of the lord poured out upon your life my momaeur tm s testimony of her life she has seen every kind of obstacle in life that you can go through as a preacheraeur tm s wife see how she handled it you need to ask yourself these questions does god treat a preacheraeur tm s wife the same as everyone else would you give up everything you have to serve god what choices do you make in your life good bad right or wrong do you know him or you donaeur tm t does god hear everyoneaeur tm s prayers is heaven real do you pray and talk to him do you put god first in your life do you include him in your problems you have are you going to be ready for that day do we accept godaeur tm s salvation or do we reject him you need to ask yourself a question if you were to die today would you go to heaven mom showed us that we have choices to make in this life some of them for good and some bad donaeur tm t be a procrastinator and put off the choices you can face some choices have long lasting effects on your health physically and mentally if my mom would have gone to the doctor when she first started to have problems she may have never got cancer instead she lets it go for a few years and then it turned into something real bad cancer when your body talks to you you should listen go to the doctor god uses all the doctors here on earth to help all of us while we are here so make the right choices in your life god treats us all the same in life the difference is the relationship that you have with christ god rewarded my mom in a special way when she died never before have i seen death come this way in someoneaeur tm s life find out whataeur tm s waiting for you when that time comes for you we never plan on dying but when you least expect it it can happen in a moment to anyone god loves us cares for us no matter who we are and his gift of salvation is free for all of us donaeur tm t miss out on seeing what god can do for you donaeur tm t waste your time away ask him

when abigail and adrienne s mom told them she had cancer they were afraid when the two sisters couldn t find any books for kids that explained what might happen to their mother and what they might expect

they decided to write one themselves the result a humorous honest hopeful account of the year their mother underwent treatment for breast cancer delightfully illustrated with drawings by both sisters

over 90 percent of the population suffers from inflammation or an autoimmune disorder until now conventional medicine has said there is no cure minor irritations like rashes and runny noses are ignored while chronic and debilitating diseases like crohn s and rheumatoid arthritis are handled with a cocktail of toxic treatments that fail to address their root cause but it doesn t have to be this way in the autoimmune solution dr amy myers a renowned leader in functional medicine offers her medically proven approach to prevent a wide range of inflammatory related symptoms and diseases including allergies obesity asthma cardiovascular disease fibromyalgia lupus ibs chronic headaches and hashimoto s thyroiditis

ostin s remarkable collection of photos offers candid portraits of more than 50 actresses directors and producers each posing with her mother or daughter the pictures are informal intimate shots of the stars at home with their families

since the first edition of this book in 1996 the field has made great strides as research and clinical studies have shed new light on the important role of the family in cancer the second edition has been completely revised and extended to incorporate this new knowledge with ten more chapters than the first edition new areas are discussed including the role of culture and belief systems specific family intervention and the impact of genetics on the response of patients and their families to cancer book jacket

traces the history of television moms decade by decade highlighting characters and key episodes and discussing the changes in dress and role over time as women formed identities beyond that of a wife and mother

discusses ways to help young or adolescent children deal with a parent s diagnosis of cancer

describes over two thousand government programs aimed at mothers and tells how to get free legal and

medical assistance

doctor of natural medicine and wellness authority dr josh axe delivers a groundbreaking indispensable guide for understanding diagnosing and treating one of the most discussed yet little understood health conditions leaky gut syndrome do you have a leaky gut for 80 of the population the answer is yes and most people don t even realize it leaky gut syndrome is the root cause of a litany of ailments including chronic inflammation allergies autoimmune diseases hypothyroidism adrenal fatigue diabetes and even arthritis to keep us in good health our gut relies on maintaining a symbiotic relationship with trillions of microorganisms that live in our digestive tract when our digestive system is out of whack serious health problems can manifest and our intestinal walls can develop microscopic holes allowing undigested food particles bacteria and toxins to seep into the bloodstream this condition is known as leaky gut syndrome in eat dirt dr josh axe explains that what we regard as modern improvements to our food supply including refrigeration sanitation and modified grains have damaged our intestinal health in fact the same organisms in soil that allow plants and animals to flourish are the ones we need for gut health in eat dirt dr axe explains that it s essential to get a little dirty in our daily lives in order to support our gut bacteria and prevent leaky gut syndrome dr axe offers simple ways to get these needed microbes from incorporating local honey and bee pollen into your diet to forgoing hand sanitizers and even ingesting a little probiotic rich soil because leaky gut manifests differently in every individual dr axe also identifies the five main gut types and offers customizable plans including diet supplement and lifestyle recommendations to dramatically improve gut health in just thirty days with a simple diet plan recipes and practical advice eat dirt will help readers restore gut health and eliminate leaky gut for good
