getting to know Jesus Student Activity Workbook contains fourteen worksheets that explore the life of Jesus and his teachings. Each worksheet contains a creative learning activity on one side that requires reading from the Gospels to complete the worksheet. The other side contains additional background information, reading suggestions, and reflection questions.

A Student Activities Manual for elementary school teachers.

This component is available for optional inclusion in course packages. It includes answers for all discrete and short answer exercises in the SAM.

This essential component follows the organization of the main text and provides additional reading, writing, viewing, listening, and pronunciation practice outside of class, plus practice with vocabulary and structures.

Paralleling the organization of the main text, the Student Activities Manual provides meaningful practice and review for students outside of class. This manual offers additional practice of each chapter's vocabulary and grammatical structures through form-based exercises, including sentence building, activities completion, exercises fill-ins, and realia-based activities. Reading and writing skills are developed in a series of interesting and personalized activities, while speaking and listening skills are developed through the audio activities. In addition, the manual includes video activities for the *Las Impresiones de Guadalupe* video.

Complements and expands students' understanding of the book. Includes chapter outlines, vocabulary list, activities on perforated pages, including invitation to insight, skillbuilders, and group discussions, and self-test questions. This edition of the Student Activities Manual emphasizes assessment and active learning. Can be bundled with the text.

The organization of the Student Activities Manual SAM parallels that of the Student Text. Activities corresponding to each tema in the textbook recycle and reinforce the vocabulary and

grammar presented in the textbook the diario at the end of the activities for temas 2 and 4 guides students in writing paragraphs on the topics of the chapter as in the textbook the communicative nature of activities has been maintained so that students are required to think about the meaning of what they are writing and grammatical forms are not practiced without relating them to meaning the order of the activities follows directly the order of presentation of vocabulary and grammar in the corresponding tema of the textbook so that instructors who cover only part of a tema during a class can easily assign the matching activities from that tema of the sam as in the textbook the final tema of the sam reviews material from throughout the chapter contextualized in a real life setting this sam volume corresponds to volume 2 of the hoy día textbook

this student activities manual consists of 22 chapters that correspond to the chapters in the student textbook

the student activities manual arbeitsbuch offers additional grammar vocabulary and writing exercises as well as listening comprehension opportunities that feature simulated conversations and pronunciation practice
