After numerous hours spent in language schools, he hit a wall like so many language students. By thoroughly reviewing a wide range of alternative resources and techniques, he hit upon a simple but effective course of self-study that allowed him to finally become capable and confident in this enchanting language. Here, Gerry explodes myths around conventional language learning schools and debunks the exaggerated claims of the many resources that promise instant conversational ability. In this book, you will experience the magic of the Italian language and discover how to not just speak it but to think and feel it. Your journey to Italian fluency starts today.

The Pimsleur method teaches speaking and understanding right from the start. For almost 50 years, in over 50 languages, the Pimsleur method has been recognized by experts worldwide as one of the fastest and most effective ways to learn to speak another language. With Pimsleur, you will learn Italian in the same way you learned your first language as a child, acquiring the vocabulary of the new language along with the melody, rhythm, and intonation of Italian as used in everyday conversation. The science of memory: Dr. Paul Pimsleur's research on memory was one of his most significant achievements. He discovered that if reminded of new words and information at gradually increasing intervals of time, the learners would remember the words or information for increasingly longer periods. Dr. Pimsleur documented that the acquisitions would actually move from short-term into long-term or permanent memory. The Reading Program: Pimsleur language programs use the same revolutionary learning method to teach you to read as well as to speak. You will start by sounding out Italian, learning to associate the new sound system to the English alphabet you know. Gradually, you will learn to look at the words and see them with Italian eyes, and you will learn to read Italian without an English accent. Learn on the go: GoItalian makes it easier than ever to use the Pimsleur programs by including the spoken lessons in two audio formats. Now you can listen anytime, anywhere, in your car or at home, and on your MP3 player. This package contains eight 30-minute language lessons on four audio CDs, a reading book with more than 50 reading lessons, an iPod-ready MP3 CD that has MP3 audio files of the eight 30-minute spoken language lessons, an MP3 file containing three hours of reading lessons, a printable PDF file of the companion reading book. Please note: MP3 disc will not play on a regular CD player. Bonus: a digital Ultralingua Italian-English dictionary with 200,000 items, including colloquial terms and common expressions. On the MP3 CD, you will also find a link to an instant credit of 100 towards the purchase of the Pimsleur Comprehensive Level 1 program directly from Simon & Schuster with 30 lessons on 16 audio CDs.
