are you going to become a dad for the first time congratulations learn all you need to know with this practical guide if you are going to become a dad for the first time then you need to prepare yourself for that job what better way to do that than with this amazing book in your hands fatherhood can be very demanding you can surely expect some sleepless nights and smelly diapers but you can make it easier for yourself this book will prepare you for every scenario and you will always know what to do within the pages of a guide for fathers to be discover the stages of pregnancy and your role as a supportive partner and father to be a deeper look at what to expect from each trimester healthcare options available preparation and the birthing process how to handle your emotions and communicate them to your partner strategies for looking after both your partner and yourself ways to form a strong bond with your newborn and provide as much assistance as possible to your partner and baby and more if you answered yes to any of the above this book is for you and will be a game changer while your spouse is pregnant and once your little one arrives as a first time dad there isn t a one size fits all your journey of fatherhood is unique and worth celebrating and navigating you might feel like asking or looking for advice is a sign of weakness in reality it shows that you care about being a great partner and father and will succeed in your efforts

this book differs from other pregnancy books because it is written from a male perspective and targeted at a male audience it based on author s knowledge and own experience supported by short private story some readers of this book described it as the male pregnancy bible others have said it felt like they had an invisible hand guiding them through the highs and lows of pregnancy and

fatherhood many other readers have also testified of being able to anticipate and understand certain pregnancy symptoms before their partners even begin to feel them thereby helping them quell the associated nervousness and enable them better manage certain situations pregnancy they say is a beautiful thing so beautiful that is never leaves a place the same the process of pregnancy and its aftermaths childbirth and parenthood are mostly irreversible things never fully return to status quo it is often associated with heightened emotions for both parents and faulty communication as a result of poor knowledge and or ignorance can lead to a long list of issues that may be difficult to solve down the line many men genuinely want to help out they want to participate be hands on and try to understand what their partners are feeling however they are often handicapped by a lack of knowledge this book offers a wealth of knowledge on navigating through this phase

there is more to life when your family is growing than what to expect when you're expecting for the expecting dad there is joy and fear here is a helpful guide to prenatal care exercise sex travel pets things to buy paternity leave and much more your partner is pregnant and by now you're undoubtedly experiencing the element of fear that every dad to be feels upon learning a new baby is on the way well sir it's time to embrace this fear and tackle parenthood and the pregnancy process head on packed with information tips and advice from the development of your baby month by month to how to help your partner throughout the birth pregnancy for first time dads is a jargon free easy read that will help you understand what to expect during pregnancy and how to plan for the weeks ahead the breakdown of advice includes preparing your partner for pregnancy the first trimester 0-12 weeks the second trimester 13-27 weeks the third trimester 28-40 weeks birth and beyond life with a newborn it's never too early to start preparing your home to accommodate a baby whether you or someone you know will soon be fathering a bundle of joy pregnancy for first time dads will serve as an invaluable resource and will properly prepare you for the joy of fatherhood

you're going to be a first time dad how on earth are you supposed to be a parent maybe you have a little bit of knowledge on what it means to be a father and you are looking to expand your knowledge further or maybe you have absolutely no clue what you are doing and the thought of becoming a dad is scaring you to your very core don't worry both of these thought processes are

perfectly normal that's why I wrote this book so that you can rest easy in the knowledge that you are going to be a boss at being a dad. I remember the exact time and place I was told I was going to be a father for the first time. I also remember exactly how I was feeling: scared, excited, no clue about what I was going to need to do with fear in my heart and anxiety running my thoughts. I took to the internet to try and gather as much information as I could about being a first-time dad. However, I was disappointed to find out that while there was a lot of information out there for first-time mothers, there was very little out there for people like me. This got me to thinking: why don't I write a book and change that? Inside "Congrats Dad: Discover All of the Important Information You Need to Know About Being a First-Time Dad: How Best to Support Your Partner Through Labour and Post Labour: How to Be the Best Dad on the Playground and Make All of the Other Parents Jealous", this book is crammed with all of these great aspects and more. So, if you want to be a bad-ass dad and support your partner like a boss, then look no further than this go-to guide about being the best first-time dad you can be.
