the rapid growth of diversity within u s schooling and the heightened attention to the lack of equity in student achievement school completion and postsecondary attendance has made equity and diversity two of the principle issues in education educational leadership and educational leadership research the handbook of research on educational leadership for equity and diversity is the first research based handbook that comprehensively addresses the broad diversity in u s schools by race ethnicity culture language gender disability sexual identity and class the handbook both highly values the critically important strengths and assets that diversity brings to the united states and its schools yet at the same time candidly critiques the destructive deficit thinking biases and prejudices that undermine school success for many groups of students well known chapter authors explore diversity and related inequities in schools and the achievement problems these issues present to school leaders each chapter reviews theoretical and empirical evidence of these inequities and provides research based recommendations for practice and for future research celebrating the broad diversity in u s schools the handbook of research on educational leadership for equity and diversity critiques the inequities connected to that diversity and provides evidence based practices to promote student success for all children

animal studies is a growing interdisciplinary field that incorporates scholarship from public policy sociology religion politics philosophy and many other fields this new field seeks to understand how humans study and conceive of other than human animals and how these conceptions have changed over time across cultures and among various scholarly modes of inquiry until now this growing field has lacked a comprehensive introductory text appropriate for new scholars animal studies an introduction fills this deficiency providing the first holistic survey of the field

as national governments reform their educational systems to meet the challenges of living in a globalised world the agenda setting power of transnational organizations like the oecd and the eu have become more transparent in the last decade the

phenomenon of globalization has a number of implications for education policy making processes and not least it has had an impact on who conducts policy studies and how this book brings together a variety of contributions which explore recent political economic changes affecting education policy making processes including the ascension of neo liberalism and the transnationalization of education policy making as well as the tension between research of policy and research for policy working from different perspectives the authors help to provide a better understanding of these two important sets of issues which the field of education must contend with today

the new series studies in women writers in english is a grateful acknowledgment of the contribution and public recognition of the emerging voice of women in the arena of literature during the last few centuries and especially in the latter half of the twentieth century women writers across the globe have made their distinctive mark with their own perception of life be it feminine or feminist or female the critique of work by women writers introduced in the present volume the sixth in the series bears evidence to the growing critical attention towards authors writing outside the mainstream in america canada and especially in india who can be seen sharing similar awareness and feelings regarding the woman s angst and aspirations since most of the authors discussed in these articles are prescribed in the english syllabus in the universities of india both the teachers and the students will find them extremely useful and the general readers who are interested in literature in english and or women writers will also find them intellectually stimulating

since the early 1990s there have been various movements designed to encourage masculine spirituality all these movements share a concern that spirituality has become too feminine and that men s experiences of the spiritual are being marginalized the task of masculine spirituality is to promote authentic masculine characteristics within a spiritual context numen old men examines these characteristics to argue that masculine spirituality is thinly veiled patriarchy the mythopoetic evangelical and catholic men s movements are shown to promote a hetero patriarchal spirituality by appealing to either combative and oppressive neo jungian archetypes or biblical models of man as the leader of the family numen old men examines spiritualities that aim to honour and transcend both the masculine and feminine and offers gay spirituality as an example of masculine spirituality that resists patriarchy

the understanding of faith 1974 is certainly schillebeeckx's most incisive english publication on theological hermeneutics it contains his principal ideas on this subject in which he progressively evolved the hermeneutic thinking that he was to apply in due course in his famous jesus books the book centres on two issues how should the christian message of god's kingdom be read in our day and age and can a present day interpretation of that message still be considered christian in short what are the possibilities and limits of the understanding of faith in our modern age of course hermeneutics as such was not new to christian theology exegetes had been exploring interpretive processes for some time schillebeeckx's innovation was to extend hermeneutic thinking to the possibilities and limits of interpreting the entire christian tradition including its definition in systematic theology inspired by the early jürgen habermas's new critical theory schillebeeckx also expands criticism of ideology in various directions this was to influence generations of theologians after him right up to the present day
