this comprehensive volume deciphers investigative process and practice providing an authoritative insight into key debates and contemporary issues in crime investigations provides critical examination of investigative practice by focusing on the key issues and debates underpinned by academic literature on crime investigation outlines the theoretical explanations that provide an understanding of crime investigation and the context in which investigators operate illustrates the practical relevance of theoretical contributions to crime investigation places clear emphasis on the multi disciplinary nature of crime investigation

the manner in which criminal investigators are trained is neither uniform nor consistent ranging from sophisticated training protocols in some departments to on the job experience alongside senior investigators in others ideal for students taking a first course in the subject as well as professionals in need of a refresher introduction to criminal investigation uses an accessible format to convey concepts in practical concrete terms topics discussed include the history of criminal investigation in western society qualifications for becoming an investigator the selection process and ideal training requirements crime scene search techniques including planning and post search debriefing preparing effective field notes and investigative reports interviewing and interrogating types of evidence found at the crime scene and how to collect package and preserve it the contributions of forensic science to criminal investigations and the equipment used in crime labs investigative protocol for a range of crimes including property crimes auto theft arson financial crimes homicide assault sex crimes and robbery

specialized investigations including drug trafficking cybercrime and gang related crime legal issues involved in criminal investigations and preparing a case for trial bringing together contributions from law enforcement personnel academics and attorneys the book combines practical and theoretical elements to provide a comprehensive examination of today's criminal investigative process the accessible manner in which the information is conveyed makes this an ideal text for a wide ranging audience

international perspectives into the practice and research of criminal profiling today criminal profiling is no longer viewed as some secretive mysterious technique that police from the united states of america exclusively indulge in when seeking to solve high profile aberrant forms of crime although popular culture representations of criminal profiling still mostly favor such depictions by emphasizing this context the reality is that individuals from a range of occupational and disciplinary backgrounds from around the world are involved in the practice loosely referred to as criminal profiling different nomenclature is adopted from time to time to describe essentially the same practice such as offender profiling psychological profiling personality profiling and crime analysis and indeed different techniques are often employed but nonetheless as an endeavor profiling has expanded both in application and in popularity across the world criminal profiling has evolved chiefly because researchers and commentators from around the globe have spent many years examining the perpetrators of serious crimes such as murder rape and arson in particular they have concentrated their efforts on studying the motivations and actions of violent offenders while seeking to document the experiences of both the victims and the perpetrators of crime many have also sought to assess the input of investigative experience employed in criminal investigations and the influence of expert witnesses on jury decisions and examined at length the assessment and treatment of the protagonists of crime

lucid annotations and discriminating selection distinguish this timely bibliography of 1 098 us government documents published between 1975 and october 1986 full bibliographic data include su docs number a time save for depository libraries classified under eight broad subject headings materials cover the criminal justice system crime and criminals law enforcement the courts corrections juvenile justice security and special resources since the government has been a principal force in the analysis of crime and its prevention the importance of a fully annotated guide to its wealth of publications is evident booklist
