this book makes a critical intervention into debates about journalism and the crisis in local news interrogating the history and current practice of court coverage in the uk the author argues for its importance as a central feature of both open justice and public interest reporting the book challenges narratives of a decline in the perceived quality of local media yet it also highlights a reliance on major local press companies facing acute financial challenges meaning court reporting faces a potentially precarious future the book critically examines coverage of the courts in the context of financial crises which have diminished both newspapers and the criminal justice system how the norms of court journalism emerged and evolved are put under scrutiny and the book then considers how court reporting is practiced today including the use of cameras and social media as well as remote hearings during and since the pandemic the author takes us inside a major murder trial and explores why court reporting remains worth preserving and enhancing offering recommendations which could help to maintain and extend coverage of the courts this volume will interest students and scholars of journalism mass communication media studies media law and communication studies

bangladesh one of the most densely populated countries in the world and second in south asia is known for its natural disasters floods and political violence however the country plans to become a middle income country by 2020 due to rapid economic growth led by strong and vibrant garments and pharmaceutical sectors a developing country bangladesh cannot reach its true

potential if there is a weak legal system and the executive have no regard for the rule of law this book discusses and analyses the legal system of bangladesh it studies the various weaknesses and whether the judiciary of the country is really independent international experts scholars and lawyers with significant experience of working in bangladesh and at international agencies and universities examine the role of the judiciary in maintaining the rule of law in the country and the critical role it can play in strengthening democracy the chapters show the various roles played by the judiciary in promoting its independence and thereby strengthening democracy in the country the first book to analyse the role of the judiciary and the various weaknesses in the legal system of bangladesh it is a relevant case study in the context of developing countries the problems found in the legal system of bangladesh prevail in most of the developing countries in asia africa and latin america the book will be of interest to academics in the field of development studies south asian studies and asian law

contempt of court because of its controversial nature has created contradictory opinions among the jurists as well as scholars the contempt jurisprudence with the common law origin has been transmitted into the indian jurisprudence by the courts of record through several charters our constitution has acknowledged and accepted this jurisdiction by conferring the status of court of record to the supreme court and high courts a country embedded in the concept of rule of law should give due respect to the law and the organ which applies the law and administers justice this organ which possesses neither the muscle power nor the money power has to extract due obedience to its orders only through this jurisdiction but difficulty arises when this jurisdiction clashes with the invaluable rights of citizens as well as those of the press as enshrined in the constitution it becomes all the more difficult when it interferes with the functioning of administrative authorities corporations and the like it poses different questions what constitutes a contempt of court when and how this jurisdiction has to be exercised in what way is the judiciary one of the organs of the state justified in controlling other organs of the state and also rights of citizens in the name of contempt jurisdiction no indepth study has been undertaken so far to ascertain the answer to the above questions the author has made sincere and humble attempt to cull out answers to the above questions in the light of judicial interpretations the concept of criminal contempt which includes prejudicing fair trial or interfering with the administration of justice or scandalising the court is analysed in relation to the rights of individuals and those of the press the concept of civil contempt which includes disobedience to the orders of the court or breach of an undertaking is analysed in relation to the administrative authorities and corporations individuals and subordinate judiciary the existing political and social scenario requires a comprehensive understanding of this branch of law to eliminate its possible misinterpretation it is hoped that the observations and suggestions made by the author will be of immense help and of use for students lawyers law teachers and administrators

1 criminal law 2 criminal procedure

includes the decisions of the supreme courts of massachusetts ohio indiana and illinois and court of appeals of new york may july 1891 mar apr 1936 appellate court of indiana dec 1926 feb 1927 mar apr 1936 courts of appeals of ohio

this book seeks to set the contempt of court act 1981 clearly in its historical context the statute makes no claim to be a complete code it amends existing law in some respects and otherwise leaves it untouched this has always been the way the law of contempt has developed piecemeal over the years often with scant regard to general principles arlidge and eady attempts to reduce the law governing this special jurisdiction to basic principles consonant with the common law and with the modern statutes where as so often neither statute nor precedent provides a clear answer the authors seek to suggest one the 1981 act applies in some respects differently to the whole of the united kingdom for this reason herbert karrigan a practising advocate with experience of modern scottish procedure and a direct involvement with the law of contempt has acted as consulting editor there is a separate chapter devoted to the impact of the statute on the law of scotland and northern ireland here again in relation to scotland an attempt has been made to set the statute in its historical context account is also taken of the european convention on human rights and its likely effect on the development of the contempt jurisdiction

we are introduced to the meaning and scope of human rights and civil liberties the reasons for their recognition and

enforcement the machinery available for redress and equally importantly the reasons why such rights and liberties need to be restricted and the limitations thereof these themes form the basis of the first part of the text specific areas of civil liberties such as freedom of expression privacy and prisoners rights are studied in that context in the second part allowing the student to appreciate the tension between human rights and civil liberties and their legal protection and to develop an understanding of the techniques used in domestic and international law to balance such liberties with other rights and interests book jacket
