aims to provide information on a variety of traditional and breakthrough issues in the complex phenomenon of domestic violence

restorative justice for domestic violence victims uses a rich and detailed set of interviews and complementary survey data to make a strong case for introducing restorative justice principles into the existing menu of services for victims of domestic violence guided primarily by concerns of victim safety domestic violence theorists and practitioners have been wary of introducing restorative justice principled programs in the domestic violence arena while remaining cognizant of safety concerns marilyn fernandez weaves together the theories concepts and research in the restorative justice and domestic violence traditions and uses the voices of domestic violence victims to make a case for restorative justice programs in the process fernandez helps readers academicians students and practitioners understand the complex nature of domestic violence and the lives of its victims

examining the prevalent issue of domestic violence this book breaks down the reasons behind the ineffectiveness of existing human rights instruments and the gaps in current legal systems failing those in need through a variety of key case studies it reveals significant gaps in the legal conceptualisation of domestic violence between human rights standards on the one hand and the national legal systems examined those of ireland and lithuania on the other the book reveals that contrary to gender based universal human rights approaches and despite recent legislative reforms the legal concept of domestic violence is gender blind it fails to capture gender based empirical realities on the ground rendering national legal systems devoid of an empirically informed theoretical basis for addressing the problem

despite the differences in the contextual backgrounds of the two case study countries the legislation on domestic violence is underpinned by patriarchal beliefs in both this book employs a gender based examination of the issue that will be of key interest to scholars legal practitioners civil society actors and students of feminist legal theory gender equality gender in international law gender and human rights and conceptual democracy

public awareness regarding the life threatening nature and intense traumatic impact of domestic violence has substantially increased in the past decade at the same time dramatic changes have taken place regarding criminal justice and social work policies and practices applied to domestic violence intervention and while the prevalence of domestic violence has declined slightly national estimates still indicate that every year approximately eight million women are abused battered stalked or killed by their husbands boyfriends and other intimate partners featuring cutting edge research and expert intervention strategies the handbook of domestic violence intervention strategies policies programs and legal remedies is designed to prepare professionals to swiftly and compassionately meet the multiple needs of women and children who have suffered from domestic violence this original and indispensable volume focuses on the numerous advances in legal remedies program developments treatment protocols and multidisciplinary perspectives it is a comprehensive guide to the latest research public policies and legal and criminal justice responses covering federal and state legislation as well as trends in police and court responses to domestic violence this is the first book to include court based technology developments and new research related to the duration and intensity of woman battering highlighting actual cases and promising programs the handbook also addresses important social work issues including risk assessment protocols a new five level continuum of woman battering intervention methods and treatment models the book also examines the myriad legal issues and health problems facing the most neglected and vulnerable battered women written by expert practitioners and leading scholars in the field the book's 23 chapters provide rich insights into the complexities and challenges of addressing domestic violence this timely and definitive handbook is recommended for students clinicians policy makers and researchers in the fields of social work victim services criminal justice hospital administration mental health counseling public health pastoral counseling law enforcement in fact this volume is a critical resource for all helping professionals who are assisting abused women in escaping and remaining free from violent relationships
