Just as the Beetle started a long tradition of Volkswagen automotive excellence these are the manuals that created the Bentley reputation for clarity thoroughness and indispensability. Our air-cooled Volkswagen manuals provide both do-it-yourself owners and professional mechanics with clear explanations and illustrations, detailed service steps and time-saving troubleshooting tips in the same tradition as our classic 1961/1965 Type 1 manual. This manual offers owners of 1960s vintage transporters the long-out-of-print factory repair information indispensable to anyone interested in the history or restoration of the transporter. This book includes complete coverage of 1200 and 1500 engines, dual-circuit brakes and body dimension specifications for all models including those with a sliding sunroof. All factory updates are listed by chassis number and date introduced. This is the one book no serious Type 2 enthusiast should be without.

This is one in a series of manuals for car or motorcycle owners. Each book provides information on routine maintenance and servicing with tasks described and photographed in a step-by-step sequence so that even a novice can do the work.
