insight for comforting the sick or bereaved plus messages on child dedication water baptism and worship gold stamped

an all new complete book of sermon ideas for 1993 in one handy volume this invaluable aid features contributions from 250 leading preachers topical and lectionary sermons outlines and worship aids for every sunday special sermons for lent easter advent christmas communions funerals children and more 8 indexes

a book to help the pastor in preparing any type of service held in church contains forms and services for all occasions

this book brings together anthropological and historical studies that analyze burial rituals within the caribbean through the theoretical lens of syncretism and the hybridization of post colonial and contemporary time periods based on oral historiography historical document analysis and ethnographic interviews the chapters in this volume outlay the creolization of ancestral burial rituals in the wider caribbean and present case studies of eight caribbean

countries barbados haiti grenada guyana suriname st lucia st vincent and trinidad and tobago this contributed volume is edited by scholars from different disciplines such as social work psychology and political science providing an interwoven lens of individual human political and environmental contexts contributing authors are from diverse disciplines such as anthropology communications sociology political science social work and psychology and each discipline approaches the subject matter through their perspective lenses each chapter analyzes the hybridity of the burial rituals in the construction of culture and identity within conditions of colonial antagonism and inequity and is rich with oral histories from lay community historians firsthand accounts and historical texts post colonial burial and grieving rituals of the caribbean will be of interest to scholars of cultural and religious anthropology history and sociology as it highlights the importance of grief and shows how it is encapsulated into burial traditions that are transmitted intergenerationally and express important aspects of caribbean cultures

governments have grown in scope and spread geographically to the point where a new phenomenon has emerged rule by a political class of ministers regarded as the main instruments of change yet ministerial careers and the structure of ministerial careers have been largely neglected areas of study in political science jean blondel s new book is a major comparative study of the world s government ministers since 1945 which examines both their similarities and differences party structures legislative behaviour even bureaucratic arrangements vary from country to country but the nature of the job and the status of ministers is largely uniform making it possible to study and tackle fundamental questions and assumptions of ministerial government this volume builds an analytical framework in order to probe the very foundation of the ministerial profession and explore important questions concerning political executives do social economic cultural or institutional factors contribute to the making of good or bad ministers are we justified in complaining about bad government and does high ministerial turnover contribute to bad government
