this account of the khobar towers bombing tells the story of the horrific attack and the magnificent response of airmen doing their duty under nearly impossible circumstances none of them view their actions as heroic yet the reader will marvel at their calm professionalism all of them say it was just their job but the reader will wonder how they could be so well trained to act almost instinctively to do the right thing at the right time none of them would see their actions as selfless yet countless numbers refused medical attention until the more seriously injured got treatment throughout this book the themes of duty commitment and devotion to comrades resoundingly underscore the notion that america's brightest bravest and best wear her uniforms in service to the nation this book is more than heroic actions though for there is also controversy were commanders responsible for not adequately protecting their people what should one make of the several conflicting investigations following the attack dr jamieson has not shied away from these difficult questions and others but has discussed them and other controversial judgments in a straightforward and dispassionate way that will bring them into focus for everyone it is clear from this book that there is a larger issue than just the response to the bombing it is the issue of the example set by america's airmen future airmen who read this book will be stronger and will stand on the shoulders of those who suffered and those who made the ultimate sacrifice

reassurance for parents who struggle with anger guilt and despair after a miscarriage stillbirth infant death

africa for the africans was the name given in africa to the extraordinary black social protest movement led by jamaican marcus mosiah garvey 1887 1940 volumes i vii of the marcus garvey and universal negro improvement association papers chronicled the garvey movement that flourished in the united states during the 1920s now the long awaited african volumes of this edition volumes viii and ix and a forthcoming volume x demonstrate clearly the central role africans played in the development of the garvey phenomenon the african volumes provide the first authoritative account of how africans transformed garveyism from an external stimulus into an african social movement they also represent the most extensive collection of documents ever gathered on the early african nationalism of the inter war period here is a detailed chronicle of the spread of garvey s call for african redemption throughout africa and the repressive colonial responses it engendered volume viii begins in 1917 with the little known story of the pan african commercial schemes that preceded garveyism and charts the early african reactions to the unia volume ix continues the story documenting the establishment of unia chapters throughout africa and presenting new evidence linking garveyism and nascent namibian nationalism
