the diary of a pissed off mom is just that follow me through my journey of motherhood my story is of a young woman becoming a mother

growing with children and a husband i share with you the joys sorrows trials and tribulations of all that goes with parenting i am sharing with you the reality of the and they all lived happily ever after the truth is that fairy tale idealism is a load of bullcaca i didn t realize how difficult marriage and children were over the years i have developed my diary not just for them to know who their mother was but what it was like raising them once the teenage years arrived all preconceived thoughts and ideas of parenting strategies went right out the window i have elaborated on events to add perspective and enlightenment to you the reader my wish is to help other parents realize that if you stay true to your beliefs and keep love in your heart anything can be overcome

written by a former organized crime prosecutor now a criminal justice professor management methods from the mafia is intended to inspire creative leadership alternatives by recounting the techniques employed by thirty notorious mobsters of the past intended primarily for future law enforcement administrators its concepts are also applicable to other organizational fields where innovative management procedures are long overdue what better vehicle to carry the message of creative and efficient organizational management than the study of the successful entrepreneurs of infamous national crime syndicates management methods from the mafia is an attempt to encourage exploration of these radical approaches to the organizational challenges facing government and industry in the twenty first century there may be three distinct types of readers that this book might appeal to those interested in organizational management and leadership seeking new inspiration those who find encouragement if the fact that something positive can be found even the deepest levels of evil in our societys history and finally those who are merely fascinated with the lives of the most notorious gangsters of the twentieth century the strategies and philosophies that the author has assigned to each of the characters in this book are based upon the conclusions that he has have drawn from their biographies and accomplishments in real life he has attempted to represent both genders and numerous ethnic groups his selection perhaps readers will draw differing conclusions and find inspiration in areas which he has not anticipated from reading about the experiences of these historical villains

we badly need new sources of clean energy to generate electricity heat and power our industries homes and workplaces up to now we have relied on and used only fossil fuels to power our industrial and domestic activities the byproducts of fossil fuels include irreversible pollution and contamination of our earth climate change global warming and increase in pathogenic and medication resistant diseases exhaustible fossil fuels are expensive to produce and distribute and not everybody can afford them why not switch to natural non polluting inexpensive inexhaustible fuels such as solar wind water etc fuels this is the timely message contained in twenty first century s fuel sufficiency roadmap you can make this message realisable go on reading thanks
