Sanchez's subject is the power of imperial myths and the subversive power unleashed when resistance movements take over those myths for their own purposes moving from John of Patmos's inversion of Roman imperial mythology in Revelation 12 to the indigenous appropriation of Spanish symbolism and mythology drawn from Revelation 12 in 17th century Mexico. Sanchez then explores the continuing power of the Virgin of Guadalupe, La Guadalupea, to inspire movements for a better society in our own day. From Patmos to the Barrio reveals new insights into the Biblical Apocalypse of John and the enduring power of its legacy down to the present day as well as translations of two important 17th century documents concerning La Guadalupea. Luis Laso de la Vega's *Huei Tlamahuiaoltica* and Miguel Sanchez's *Imagen de la Virgen Maria* also included are images of La Guadalupea in the murals of East Los Angeles.

This three volume encyclopedia describes and explains the variety and commonalities in Latina/o culture providing comprehensive coverage of a variety of Latina/o cultural forms. Popular culture, folk culture, rites of passage, and many other forms of shared expression. In the last decade the Latina/o population has established itself as the fastest growing ethnic group within the United States and constitutes one of the largest minority groups in the nation. While the different Latina/o groups do have cultural commonalities, there are also many differences among them. This important work examines the historical, regional, and ethnic racial diversity within specific traditions in rich detail, providing an accurate and comprehensive treatment of what constitutes the Latino experience in America. The entries in this three volume set provide accessible, in-depth information on a wide range of topics covering cultural traditions including food, art, film, music, and literature, secular and religious celebrations, and religious beliefs and practices. Readers will gain an appreciation for the historical, regional, and ethnic racial diversity within specific Latina/o traditions. Accompanying sidebars and spotlight biographies serve to highlight specific cultural differences and key individuals.

Recent attacks on ethnic studies revisionist actions in curriculum content and anti-immigrant policies are creating a new culture war in America. This important work lays out the current debates both in K-12 and higher education to uncover the dangers and to offer solutions. In 2010 HB 2281, a law that bans ethnic studies in Arizona was passed. In the same year, Texas whitewashed curriculum and textbook changes at the K-12 level. Since then, the nation has seen a rise in the legal and political war on ethnic studies revisionist actions in curriculum content and anti-immigrant policies, creating a new culture war in America. White washing American education demonstrates the value and necessity of ethnic studies in the 21st

century by sharing the voices of those in the trenches educators students community activists and cultural workers who are effectively using multidisciplinary approaches to education this two volume set of contributed essays provides readers with a historical context to the current struggles and attacks on ethnic studies by examining the various cultural and political wars that are making an impact on american educational systems and how students faculty and communities are impacted as a result it investigates specific cases of educational whitewashing and challenges to that whitewashing such as tom horne's attack along with the state board of education against the mexican american studies in the tucson school district the experiences of professors of color teaching ethnic studies in primarily white universities across the united states and the role that student activists play in the movements for ethnic studies in their high schools universities and communities readers will come away with an understanding of the history of ethnic studies in the united states the challenges and barriers that ethnic studies scholars and practitioners currently face and the ways to advocate for the development of ethnic studies within formal and community based spaces
