multilayered complex analytical work based on very rich research interviews with suu kyi and personal observations of the author who displays unquestioned analytical skills as such the book represents a pioneer work in burmese studies prof agnieszka kuszewska jagiellonian university in cracow none of the numerous books and articles that i have read about daw aung san suu kyi dissects her political thoughts and background as thoroughly as the book written by dr Michał lubina he shows the political construction of her character her struggle her idealism her sources of inspiration and her weaknesses it is a necessary publication to read in order to understand historical and contemporary policymaking in today's burma dr marion sabrié university of rouen normandy
