a fascinating guide to war propaganda of wwi and wwii from loose lips sink ships to keep calm and carry on includes vintage images firetrench a guide to war publications of the first second world war is devoted to the printed ephemera that was designed to educate instruct inform and entertain during the first and second world wars this includes soldiers field regulations updates airmen received about airborne early warnings bomb sights and radio navigation and materials sailors were given to help them identify enemy aircraft and operate new weapons on submarines this comprehensive guide illustrates the large amount of material produced during the war by looking at encouraging wartime sayings such as go to it come into the factories keep calm and carry on dig for victory lend a hand on the land and walk when you can while showing how other messages warned of consequences to irresponsible behavior careless talk cost lives loose lips sink ships keep it under your hat and be like dad keep mum arthur ward gives information on what propaganda was produced what items are still available and where to find them and how to conserve and store vintage printed items

outlines current conflicts in the middle east europe africa asia and the americas examining each conflict s history geography military capabilities politics economics and ethnic factors discusses regional and worldwide trends and shows how wars will unfold in the next five to ten yeas this third edition is updated from the 1991 edition and explores issues surrounding german unification and the postwar state of the persian gulf includes bandw maps and tables for students journalists and general readers annotation copyright by book news inc portland or

this lavishly visual approach to military history combines nineteenth century engravings artworks and diagrams with an engaging and

informative text featuring a chronological and cultural review of tactics and technology supplemented by thumbnail studies of individual items of arms and armor

this reference book analyzes more than a thousand wars waged from 1816 to 2007 it lists and categorizes all violent conflicts with 1 000 or more battle deaths and provides an insightful narrative for each struggle it describes each encounter and highlights major patterns across eras and regions identifying which categories of war are becoming more or less prevalent over time and revealing the connections between the different types of war

like many a great epic star wars is rooted in a rich history of armed conflict now for the first time the facts figures and backstories of major clashes and combatants in the star wars universe have been documented in this volume it combines action filled narrative with encyclopedic knowledge

since the earliest days of warfare military operations have followed a predictable formula after a decisive battle an army must pursue the enemy and destroy its organization in order to achieve a victorious campaign but by the mid 19th century the emergence of massive armies and advanced weaponry and the concomitant decline in the effectiveness of cavalry had diminished the practicality of pursuit producing campaigns that bogged down short of decisive victory great battles had become curiously indecisive decisive campaigns virtually impossible

war while often gruesome and devastating can also be viewed as a science or art involving the translation of theory into practice even as weapons grow in sophistication over time war has always involved careful calculations and balancing the interests of the involved party with effective combat techniques against an enemy this absorbing volume examines the evolution of the strategies tactics and logistics employed in various wars and conflicts from ancient times to the present day
