if you re brand new to investing and trading you can learn to go from financial mediocrity to financial prosperity in the time it takes you to read this entire book this book details what it takes to become a consistently profitable investor and trader in today s financial markets working against the best investors and traders in the world there are zero short cuts in the beginner learning curve for this business there is a progression which all self directed investors and traders who are successful have gone through to become consistently profitable in the live financial markets this book has some powerful information in it to guide the beginner investor and trader to the easiest way to reduce the long learning curve there can be in the business of making money with money i wrote this book for all the new and upcoming aspiring day traders swing traders and investors who are coming into the business and have zero or very limited knowledge so they won t have to waste valuable learning time and money investing and trading is the best business in the world as far as i am concerned it is the only business i know of where you can be at the beach on a beautiful sunny day or scuba diving or flying to europe for the weekend to meet up with friends and still be making money the whole time you re doing it no other business in the world other than trading allows you to work at your own pace and make an unlimited amount of money a brand new trader with no experience can read this book and depending on how fast they can grasp the concepts and learn them can be making an income for themselves in as little as 30 days to 6 months this book can help you to understand what you need to know in order to consistently make money with the smart money the details in this book will give you all of the information to get started making money right away and is an excellent book for brand new beginners in trading and investing if you are looking to learn more about investing and trading from scratch this book is your start if you don t have much investment experience or are struggling this is probably the book you should start with this book is clearly geared towards readers who are responsible adults who are looking at self directed investing seriously for the first time on their own who have no knowledge or information on where to start all the beginner information in this book would take someone who is a new beginner years to figure out before they could actually go into the live markets with real money and except to make any money the best information you need is being given to you all in one place at one time in this basic beginner s book and is an extremely easy book to read and digest i have kept industry jargon to a minimum and provided a glossary of abbreviations at the end to help you get up to speed with market speak this book gives you the only beginner information you will ever need to make real money in the live markets for the rest of your life if you follow what it says in here you will have a lifelong skill that will enable you to make money anywhere anytime you like anyplace in the world there is wifi isn t that the

what if the one skill standing between you and consistent profits in the market is the ability to read the story behind every candle welcome to mastering candlestick trading with risk management the trading guide that transforms you from guessing gambler to confident calculated trader this isn't just another charting manual it's your invitation into the mindset techniques and risk control strategies of traders who play the long game and win this book takes you inside the heartbeat of the market candle by candle whether you're a beginner trying to make sense of green and red bars or an intermediate trader who keeps getting stopped out this guide breaks down candlestick patterns with precision and pairs them with professional level risk management techniques that safeguard your capital and sanity why this book because trading isn't just about spotting patterns it's about protecting your downside managing emotion and knowing exactly when to enter and exit without second guessing what you'll learn the psychology behind every major candlestick pattern and how to decode market sentiment like a pro high probability setups you can apply immediately backed by real world examples risk management rules that protect your capital and keep you in the game long enough to win how to master discipline remove emotional trading and build a strategy that works in all market conditions proven techniques to manage drawdowns avoid overtrading and stay calm under pressure who is this book for traders who are tired of losing money newbies who want to start with the right foundation intermediate traders who want consistent results anyone who's serious about mastering the market with clarity control and confidence when should you read this book now because every day you trade without a solid system is a day closer to burnout or blown accounts this is more than a trading book it's your edge your compass your trading playbook ready to trade with confidence precision and profit scroll up grab your copy today and unlock the ultimate trading transformation

trading is challenging for most people because they simply don't have the information tools or confidence to become successful this book is important for beginners because it tells it like it is and gives an inside look at trading the financial markets giving you the reality on what the live market is really like the way they are really run and tells you who runs them and what you need to do as a self directed beginner to survive in them let's face it it's a well known fact that 97% of brand new self directed investors and traders fail and lose all of their money why does this happen it happens because brand new self directed traders enter into this business with a bunch of misguided grandiose ideas of making a million dollars from trading and while you can surely make millions of dollars from trading you would need to be using hundreds of millions of dollars of capital
