introduction studying the caribbean political geography one size does not fit all political history patterns of colonialism and the

barbados model political culture between black power bleaching and browning political leadership street agitators and intellectuals political traditions the roots of autocracy and democracy searching for freedom from slave to civil societies postcolonial states substance or symbolism the caribbean abroad colonisation in reverse

the caribbean is made up of a complex enigmatic region characterised by great disparities in size population geography history language religion race and politics this is a region in which harmony and discord work in tandem trying to link economic logic with political logic this book is a useful tool not only for those specialists and students of regionalism but for all those putting their hands to the task of nation building and those interested in the development processes of small states and economies at the same time this book is a comprehensive historical record especially highlighting hindrances to development in this region this study raises two important issues the political imperative of convergence and the need for appropriate correcting mechanisms that align the needs of the local with the regional it is a volume that underlines the need for a change in strategy and makes proposals as to how to go about making those changes

this contribution to the study and analysis of caribbean politics explores the political culture of the caribbean in order to understand the regional differences the contributors renowned internationally for their expertise in caribbean studies explore the topic from their varied cultural experiences and offer a new dimension to the study of political culture

an introductory text for students of caribbean politics it provides a broad historical sweep from the slave era to the contemporary period characterised by issues of structural adjustments and globalisation and in between the years of worker revolt and protest the text is structured and presented around a number of core concepts used to analyse caribbean politics and political systems

for review see david scott palmer in the hispanic american historical review hahr 75 1 february 1995 p 134 135

first published in 2015 this book places in firm historical perspective the roots of caribbean dependency highlighting the ways in which the region has been and continues to be a pawn in great power politics and economics the past is both haunting and daunting seriously hampering the region s capacity to pursue an autonomous path the author develops his argument by focusing on how politics economics and race have shaped caribbean history and contemporary life discussions and analysis include examples

from the anglophone spanish french and dutch speaking caribbean islands and countries thompson also attempts to provide prescriptions that would free the region from the shackles of the past and place the countries on the path to independence

this book is a revision of anthony payne s the politics of the caribbean community 1961 79 regional integration amongst new states and is the only one of its kind to offer a full account of the period from the end of federation to the beginning and early years of caricom expanding on the previous publication a third section has been added that picks up on the in depth analysis which ended at 1979 discussing events from 1980 2007 including the caricom single market and economy the volume is divided into three parts part i origins and establishment 1961 73 part ii issues and structures 1974 79 part iii events 1980 2007 which give an overview of the regional integration movement and its antecedents making it suitable for students at the undergraduate and graduate levels

grugel has produced a first rate introduction to the development dilemmas confronting the peoples of the caribbean and central america the book will enlighten general readers with an interest in the politics of geopolitical and economic dependency and for appreciating the remaining difficulties facing small nations attempting equitable and harmonious development it will remind caribbean and central american specialists just how valuable a good comparative analysis can be foreign affairs excellent comparative survey of the political economy of the caribbean basin choice this wide ranging survey of the political economy of the caribbean basin and its position in the emerging global order also assesses the attempts by revolutionary regimes in the region to create alternative models of development and the reasons for their failure

prominent caribbean scholars and policy experts analyze the implications for the caribbean of a world in transition issues are presented in a new international context including prospects for cuba and haiti the effects of external debt and structural adjustment are reviewed likely benefits and hazards of development options such as trade liberalization privatization and foreign direct investment are probed the evolving caribbean business environment and the political dynamic between public and private sectors are described the external challenges for the caribbean presented by the possible disappearance of unilateral trade preferences in europe and north america are studied in chapters advancing a post lome strategy and planning for increased regional competitiveness also highlighted are intra caribbean relations and integration and projections for the future of hemispheric

cooperation

intervention militarization and security

richard hart s constant quest for political autonomy decolonisation and regional unity has earned him a space in the annals of history as one of jamaica s leading nationalist figures and as a vital contributor to the caribbean integration movement as a key proponent of social political and economic transformations in the region hart fought arduously for trade unionism political sovereignty and mass based democratic political parties among other important issues which advanced the lives of caribbean nationals hart s upper middle class upbringing and his status as a lawyer was never a deterrent to his championing the cause of the ordinary man for his subversive political beliefs and radical stance against colonial powers he was imprisoned by the british colonial government in the 1940s expelled by the people s national party in 1952 and branded a radical by those who deemed his beliefs rogue and detrimental to their interests in the caribbean caribbean reasonings caribbean political activism essays in honour of richard hart offers some of the best assessment of the work of one of jamaica s best politicians activists and historians along with the critical reflection of his work caribbean political activism essays in honour of richard hart also shows the struggles the jamaican and grenadian societies faced in the post independence years of the 1970s and 1980s p 4 of cove

a study of the relationship between society and politics in the caribbean this book examines the importance of democracy to these subjects it argues that despite structural differences these ex colonies gravitate toward democratic values and practices because of european colonization

these essays by brian meeks a noted public intellectual in the caribbean reflect on caribbean politics particularly radical politics and ideologies in the postcolonial era but his essays also explain the peculiarities of the contemporary neo liberal period while searching for pathways beyond the current plight in the first chapters titled theoretical forays meeks makes a conscious attempt to engage with contemporary caribbean political thought at a moment of flux and search for a relevant theoretical language and style to both explicate the caribbean s recent past and confront the difficult conditions of the early twenty first century the next part caribbean questions both retrospective and biographical retraces the author s own engagement with the university of the west indies uwi the

short lived but influential caribbean black power movement the work of seminal trinidadian thinker and activist lloyd best cuba s relationship with jamaica and the crisis and collapse of the grenadian revolution as evident in its title jamaican journeys the concluding section excerpts and extracts from a longer more sustained engagement with jamaican politics and society much of meeks argument builds around the notion that jamaica faces a crucial moment as the author seeks to chart and explain its convoluted political path and dismal economic performance over the past three decades meeks remains surprisingly optimistic as he suggests that despite the emptying of sovereignty in the increasingly globalized world windows to enhanced human development might open through policies of greater democracy and popular inclusion

the caribbean like regions elsewhere is caught in what has been called democracy s global third wave in this volume contributors examine the nature of democratization in the region together with its affiliate human rights the aim is to extend the analysis and debates beyond political democracy and civil and political rights to consider also economic democracy and economic and social rights early chapters address issues and dilemmas common to the democracy and human rights landscape throughout the region in particular economic crisis drug trafficking and political instability continue to threaten the region s very healthy democracy human rights profiles next contributors consider how the form of caribbean democracy and the status of human rights have been influenced by foreign actors and external developments particular attention is paid to the role of the organization of american states the united nations nongovernmental organizations and international law because the democracy and human rights challenges and dynamics vary across countries the work also offers extensive single country assessments

this book first published in 1984 presents a comprehensive survey of the forces of change that operate in the caribbean an area of political instability at the time it examines the internal politics of the different countries and considers the roles of the united states cuba the european and new latin american powers in the political conflicts coups and revolutions
