the concept of world visions first elaborated in the early work of georg lukàcs is used here as a tool whereby the similarities between pascal s pensées and kant s critical philosophy are contrasted with the rationalism of descartes and the empiricism of hume for lucien goldmann a leading exponent of the most fruitful method of applying marxist ideas to literary and philosophical problems the tragic vision marked an important phase in the development of european thought from rationalism and empiricism to the dialectical philosophy of hegel marx and lukàcs the book is not a collection of isolated essays on kant pascal racine the status of the legal nobility in seventeenth century france and the exact nature of the religious movement known as jansenism but an attempt to formulate by an examination of these different topics a general approach to the problems of philosophy of literary criticism and of the relationship between thought and action in human society

in this philosophical exchange a gentile questions a christian about the nature of god and knowledge the christian asserts that true understanding stems from recognizing one s ignorance he argues that while

human beings may perceive various truths they cannot grasp the absolute truth of god which transcends all conceptualizations the dialogue highlights the contrast between the gentile s belief in multiple truths and the christian s conviction of a singular ineffable truth ultimately the christian claims that god is beyond all definitions and categorizations existing as the ultimate source of all that is

oswald bayer is one of the most important contemporary interpreters of martin luther and confessional lutheran theologians as a luther scholar bayer has identified the precise reformational turning point in luther s life and theology which is also the central point for a truly lutheran theology the promise of a forgiving and justifying god preached in jesus christ as a lutheran theologian bayer stresses that this promise of god is the ultimate subject matter of all theology and that all other theological topics have the justifying promise of god as their basis and boundary hanging by a promise investigates how bayer addresses luther s topic of the hidden god a god of wrath who accomplishes everything from the standpoint of the justifying promise of god luther s doctrine of the hidden god has been taken up discussed and interpreted by many in the modern protestant theological tradition yet bayer addresses it in a way in which others before him have not going beyond interpretation and evaluation bayer actually makes use of luther s hidden god in his own theology for bayer the hidden god is the counterpoint to god s gracious promise given in the preached christ a counterpoint that brings serious tension into the very heart of theology
