prov 18 17 he who tells his story first makes people think he is right until the other comes to test him for almost seventy years now we've been taught american history primarily from a secularist's viewpoint with seemingly convincing arguments for a godless america and constitution that it sounds right yet christian americans have heard enough and we're now stepping up to cross examine their claims with books like this one what were the religious beliefs of most of our nation's founders was america founded as a christian nation and what does this mean where did the concept of religious freedom originate and how did it evolve into what it is today if we started out as a christian republic then what went wrong how can we restore our founders original intent to america this book highlights the christian influences in america's exploration colonization national formation and progression once you've heard this other side of the story you must make up your own mind and then act on it

remember when end time rewind warned you not to fall for the doomsday rapture theories of dispensational premillennialism and their zionist partners well now that we've survived john hagee's four blood moons jonathan cahn's super shemitah and the menacing tentacles of the now defunct european union and islamic state the supposed beast kingdoms of revelation 17 the futurist's next false claim centers around the 70 year anniversary of israel's founding is the jewish state really the prophetic clock by which god aligns

world events and the return of christ many doomsday rapture forecasts have been put forth in the name of futurism since the 2nd century ad none of which have come to fruition this is disconcerting because failed predictions and false expectations promoted by our christian counterparts diminishes the credibility of the bible and scars the reputation and integrity of the prophetic office of jesus christ the age old tried and true orthodox aka partial or classical preterist approach maintains that the majority of bible prophecies were already fulfilled by the end of the first century ad and included jesus appearing in an old testament styled non physical manifestation with power and great glory all that remains to be accomplished in the future is for jesus christ to physically return to raise the dead which is when the rapture also occurs preside over the final judgment and create a new heaven and earth devoid of sin and death where the new and holy jerusalem from heaven descends as per revelation 20 7 revelation 22 5

i stood at the window looking out but i couldnt make out what lay just on the other side so it is too with the plan we are about to embark on what does lay just beyond nobody knows least of all me but here we go here we go like a pack of fools standing at the top of that precipice in the distance and only feeling the rush

almost everyone at some point in their lives questions their faith and or belief in god even the most learned religious scholars ordained and lay readers and faith based teachers admit to having doubt at times the author wrestled with faith and a belief in god for many years but feels blessed to have experienced a series of life changing events that opened his eyes heart and mind today he has absolutely no doubt in the existence of god and that there is an afterlife a spiritual journey to unwavering faith is a multi denominational and multi dimensional book written for every reader regardless of their religious backgrounds or spiritual beliefs it details the writer s unique experiences and the purpose in sharing his spiritual journey is to give those with doubt a sense of comfort peace and hope it also provides confirmation and inspiration to those who already have faith and to hopefully strengthen their existing belief the author s spiritual journey began about a year before the passing of his father in law and continued to grow and become stronger with the passing of his father and mother each died in the author s arms and as they took their last breaths he asked

them to please give him a sign or do whatever they could to confirm the existence of god and the afterlife literally moments after they each passed and many times since each communicated with the author and provided profound signs that were personal connections known only between themselves initially the author viewed these after death communication and signs as sheer coincidences but after experiencing a series of unique strange unexplainable encounters the writer finally realized he was witnessing events that went beyond the obvious or what could be identified by using his five key senses once he accepted the possibly a higher power was at work he allowed his eyes heart and mind to be opened to a whole new world or realm he also discovered the incredible power of prayer during his research and the discovery process the author read many books that included historical mythology afterlife experiences spiritual enlightenment faith the old and new testaments of several different bible translations excerpts of the koran divine interventions and devotionals written by lay persons from around the world he especially enjoyed reading devotionals from people of all walks of life who told their stories through essays that connected to specific scripture their personal experiences relating to selected scripture were genuine insightful and deeply moving the author found it interesting how philosophies and life recommendations quoted in so many modern day spiritual and self help books and materials are rooted in scripture as the author connected his own personal events to specific scriptures he realized everything he was searching for was already compiled in one comprehensive best selling book of all time the bible
