by focusing on new materiality this edited volume offers new optics on the affordance of women's physical and objective body the interdisciplinary essays assembled in the book interrogate the concepts of corporeality and embodiment by interpreting them as material enactivism of a woman's physical body geared toward performance and demonstration respectively the book situates body bodily movements as agentic initiatives to make sense of women's bodies in motion although flesh in its constitution a woman's body is the very material entity that does not only perform what it is expected to do for its many audiences as in spectacle but also its corporeality imputes a demonstrative kinetics hitherto associated with the objective body in recent social theorizing

the book questions patriarchy and the associated feminine power struggle it traverses through the characters of the mythological draupadi of the epic mahabharat seeing this epic through the eyes of draupadi and a naxalite girl who was named after this mythological character who broke all typical stereotyped thoughts convictions and conditioning this book deals with gender stereotyping and breaking the bondages arising out of conditioning thereof the detailed research done is bound to draw the attention of any reader towards the ease with which one accepts the indoctrination of stereotypical views particularly of the feminine form as a norm in this mundane world where the dominating position in all subtleties is held by the man kind this book lucidly addresses questions related to feminine stereotyping it also intrigues the reader regarding identities arising out of such conditioning
