this book is ideal for muslims non muslims converts and anyone who wants to explore islam this book provides all the basic information but in detail about the faith of islam its various forms of worship their significance in the practical life of man and the nature and scope of the systems which it wants to establish to bring virtue goodness and peace in the lives of people the book consists of two volumes the first volume covers tawhid belief in the oneness of god and rights of allah i e huquq allah it explains briefly the principles of faith

and various forms of ibadah worship and their effect on human behaviour the second volume deals with man's rights in society vis a vis his fellow beings i.e. huqq al ibad it describes human society as islam wants to establish and its essential features islam ideology and the way of life was originally published in 1980 with a revised second edition published by the seerah foundation in 1988

taken together the essays in this work not only provide new research essential to the study of islamic societies and muslim peoples but also set a new standard for the concrete study of local situations and illuminate the forces shaping the history of modern muslim societies this collection is unique in its sophisticated interpretation of the social protest and political resistance movements in muslim countries during the nineteenth and twentieth centuries the contributors take two principal approaches to the study of their subject utilizing new cultural history they explore how particular movements have deployed the cultural and religious resources of islam to mobilize and legitimize insurgent political action others rely on new social history to study the economic political and social contexts in which movements of anti colonial resistance and revolution have developed this work brings together contributions from specialists on islamic north africa egypt the arab fertile crescent iran and india

this book studies the parameters of islamic political practice it examines the emergence of islam as conjoint religio political world view wherein the establishment of an islamic state is considered as important for salvific purposes as prayer and pilgrimage this books seeks to foreground the ideological imperative behind projection of religious identity through political idioms in islam

islamic theocracy is now firmly established in fundamentalist iran and waves of fundamentalism are sweeping the entire islamic world and its diaspora this book examines the claim of those islamists who contend that as a belief system and a way of life islam carries with it a theory of politics and the state which should be applied unquestioningly ayubi traces both the intellectual sources and the socio economic bases of political islam arguing that it is a modern phenomenon dating back only to the inter war period he describes its major proponents as urban educated and relatively young people whose energies were mobilised but whose expectations were not fulfilled by the post independence populist regimes in the arab world islamic movements in six countries are studied in detail ayubi's distinctively broad definition of politics encompasses innovative material on sex and the family and on the emerging alternative economic and social networks of islamic banks schools and hospitals in the countries discussed ayubi stresses the traditional concern in islam for

the collective enforcement of morals but argues that there is no case for the commonly held misconception that politics begins from theological principles in the arab world the historical connection between islam and politics can be explained as an attempt by the rulers to legitimise their actions he suggests that radical islamists are reversing this position by subjecting politics to their specific religious views so their movement is in some senses an anti state one he concludes by discussing possible intellectual responses to fundamentalism drawing on the thinking of contemporary muslim liberals

the emergence of islamist and salafi movements the actors of islamist politics has been a critical area of scholarship on the middle east and north africa but there is no theoretical framework to understand political islam as a phenomenon that includes both islamic ideology and modern activism this book uses the gramscian concept of political activism to provide this much needed perspective as arab societies have had a similar historical development and trajectory to the society gramsci was analyzing his ideas are shown to be particularly relevant for understanding the post 2011 democratization and politicization of islamist and salafi movements based on the case study of the tunisian islamist movement al nahda and the tunisian salafi movement ansar al sharia political islam is given a useful explanatory framework to explain how the ideological theological side of islamic activism realizes itself into practical political action the book establishes the term islamic politics to describe this combination of socio religious mobilization commonly defined as dawa and political organization including party or revolutionary organizations furthermore the authors show that islamists and salafists can be described as post islamist in the same way communist parties became post communist and post ideological written by two renowned experts on political islam the innovative theoretical framework used here can explain the development and behaviour of islamist groups in other contexts moving scholarship beyond traditional approaches

dr roby barrett in his latest jsou monograph provides an overview of the conflicts in early islam that are still the source of many conflicts today viewing the islamic world as one entity or one made up of major sects sunni and shia is misleading islam is a complex religion with a vast history of internal conflict that speaks to contemporary issues today including discussions on terrorism and radicalism dr barrett discusses the shifting u s role relative to islam and provides an overview of contemporary islam including radicalism and the issue of a fractured community islam s internal conflict highlights the reason why pan islamic movements never gain traction and why radical islam remains disjointed dr barrett posits that the west must focus less on islam as an ideology and more on those local issues

that drive the threat the insights provided by dr barrett in this monograph challenge the reader to rethink how one approaches the challenges in the middle east publisher s web site

analysts and pundits from across the american political spectrum describe islamic fundamentalism as one of the greatest threats to modern western style democracy yet very few non muslims would be able to venture an accurate definition of political islam mohammed ayoob s the many faces of political islam thoroughly describes the myriad manifestations of this rising ideology and analyzes its impact on global relations
