a book which stirred more hearts and impelled more lives to change their course than any of mawlana mawdudi s more erudite works it contains friday congregational addresses of mawlana which expound such familiar themes as iman prayer fasting almsgiving pilgrimage

and jihad bringing them to life and revolutionary zeal through his trademark reasoning and simple lucid style

the book in hand is a summary of the faiths and beliefs of mainstream muslims spread all over the globe muslim scholars are unanimous in opinion that the articles of faith as formulated by imam tahawi in the treatise reproduced here most accurately reflect the mind and understanding of the earliest muslims it is free from incorrect interpretations over exemplification and any distortion of the ideas promulgated by islam there is also a general agreement that the commentary on tahawi s work as done by abi al izz is an accurate elucidation of what tahawi meant to express also it strives to be very close to the texts of the qur an and the prophetic saying and without over stretching the meaning attempts to project the opinion of the great majority of scholars in matters about the islamic creed it would be interesting for the followers of other faith to compare their faith and beliefs with those of islam as illustrated in this standard textual work that dates back to the late third islamic century further since the muslim creed truly dating back to the prophetic times has never undergone revision this book should help the non muslims to get an insight into the muslim mind

written by an expert in modern insurgency doctrine for the united states armed forces this work skillfully blends issues of contemporary relevance with modern and medieval historical background the work is unique in bringing islamic texts to the discussion
