david and leigh eddings were mythmakers and world builders of the first order with the redemption of althalus the authors of the belgariad and malloreon

sagas created a thrilling stand alone epic boldly written and brilliantly imagined it would be sheer folly to try to conceal the true nature of althalus for his flaws are the stuff of legend he is as all men know a thief a liar an occasional murderer an outrageous braggart and a man devoid of even the slightest hint of honor yet of all the men in the world it is althalus unrepentant rogue and scoundrel who will become the champion of humanity in its desperate struggle against the forces of an ancient god determined to return the universe to nothingness on his way to steal the book from the house at the end of the world althalus is confronted by a cat a cat with eyes like emeralds the voice of a woman and the powers of a goddess she is dweia sister to the gods and a greater thief even than althalus she must be for in no time at all she has stolen his heart and more she has stolen time itself for when althalus leaves the house at the end of the world much wiser but not a day older than when he'd first entered it thousands of years have gone by but dweia is not the only one able to manipulate time her evil brother shares the power and while dweia has been teaching althalus the secrets of the book the ancient god has been using the dark magic of his own book to rewrite history yet all is not lost but only if althalus still a thief at heart can bring together a ragtag group of men women and children with no reason to trust him or each other praise for the redemption of althalus highly recommended featuring a cast of engaging characters some fanciful plot twists and a light hearted atmosphere that should appeal strongly to fans and first time readers alike library journal the story takes off the interactions between characters straightforward plotting and doses of wry humor keep the tale humming booklist an engaging young reprobate hero a magical realm of good natured fun publishers weekly a compelling involving story science fiction chronicle
