vol 25 is the report of the commissioner of education for 1880 v 29 report for 1877

this publication considers a range of issues relating to corporate responsibility including how companies should deal with the

harmful side effects of their business operations and how to conduct business in a responsible manner in countries where human rights abuses are widespread or where the environment is being degraded it offers an approach to corporate decision making based on the principles of just war theory primarily the principle of double effect the proposed normative framework can be used both as a tool for performance evaluation and as a set of guidelines for conducting business in an ethically responsible manner it contains a number of case studies which highlight the usefulness of incorporating the principle of double effect into corporate decision making and show how the proposed framework can help companies assume responsibility for the impact of their operations on multiple stakeholders

first printing july 1927 a rewriting based on new and fuller statistical material of his book on business cycles published in 1913 foreword
