we all know the history of science that we learned from grade school textbooks how galileo used his telescope to show that the earth was not the center of the universe how newton divined gravity from the falling apple how einstein unlocked the mysteries of time and space with a simple equation this history is made up of long periods of ignorance and confusion punctuated once an age by a brilliant thinker who puts it all together these few tower over the ordinary mass of people and in the traditional account it is to them that we owe science in its entirety this belief is wrong a people s history of science shows how ordinary people participate in creating science and have done so throughout history it documents how the development of science has affected ordinary people and how ordinary people perceived that development it would be wrong to claim that the formulation of quantum theory or the structure of dna can be credited directly to artisans or peasants but if modern science is likened to a skyscraper then those twentieth century triumphs are the sophisticated filigrees at its pinnacle that are supported by the massive foundation created by the rest of us

selected testimonies to living history speeches letters poems songs offered by the people who make history happen but are often left out of history books women workers nonwhites featuring introductions to the original texts by howard zinn new voices featured in this 10th anniversary edition include chelsea manning speaking after her 35 year prison sentence naomi klein speaking from the occupy wall street encampment in liberty square a member of dream defenders a youth organization that confronts systemic racial inequality members of the undocumented youth movement who occupied marched and demonstrated in support of the dream act a member of the day laborers movement chicago teachers union strikers and several critics of the obama administration including glenn greenwald on governmental secrecy

a bold new history of the french revolution from the standpoint of the peasants workers women and sans culottes the assault on the bastille the reign of terror danton mocking his executioner robespierre dispensing a fearful justice and the archetypal gadfly marat the events and figures of the french revolution have exercised a hold on the historical imagination for more than 200 years it has been a template for heroic insurrection and to more conservative minds a cautionary tale in the hands of eric hazan author of the invention of paris the revolution becomes a rational and pure struggle for emancipation in this new history the first significant account of the french revolution in over twenty years hazan maintains that it fundamentally changed the western world for the better looking at history from the bottom up providing an account of working people and peasants hazan asks how did they see their opportunities what were they

fighting for what was the terror and could it be justified and how was the revolution stopped in its tracks the people s history of the french revolution is a vivid retelling of events bringing them to life with a multitude of voices only in this way by understanding the desires and demands of the lower classes can the revolutionary bloodshed and the implacable will of a man such as robespierre be truly understood

on its release the seven volume a people s history of christianity was lauded for its commitment to raising awareness of the ways in which ordinary christians have lived throughout more than twenty centuries of christian history each volume provides a valuable overview on such topics as birth and death baptism rites food power heresy and more

a concise people s history of europe spanning from the first world war to today

this updated companion to howard zinn s classic a people s history of the united states harper perennial 2005 brings together the powerful words and actions of women and men of all races and creeds who though mostly powerless themselves have made change in america across the centuries the original source book for matt damon s the people speak series on the history channel this classic work from zinn is a major new release
