irascible and forthright christopher hitchens stood out as a man determined to do just that in his younger years a career minded socialist he emerged from the smoke of 9 11 a neoconservative marxist an advocate of america s invasion of iraq filled with passionate intensity throughout his life he played the role of universal gadfly whose commitment to the truth transcended the party line as well as received wisdom but how much of this was imposture in this highly critical study richard seymour casts a cold eye over the career of the hitch to uncover an intellectual trajectory determined by expediency and a fetish for power as an orator and writer hitchens offered something unique and highly marketable but

for all his professed individualism he remains a recognizable historical type the apostate leftist unhitched presents a rewarding and entertaining case study one that is also a cautionary tale for our times

the acid hilarious confessional and provocative memoirs of the bestselling author of god is not great a story of a life lived large

the encyclopedia of the neuroscience explores all areas of the discipline in its focused entries on a wide variety of topics in neurology neurosurgery psychiatry and other related areas of neuroscience each article is written by an expert in that specific domain and peer reviewed by the advisory board before acceptance into the encyclopedia each article contains a glossary introduction a reference section and cross references to other related encyclopedia articles written at a level suitable for university undergraduates the breadth and depth of coverage will appeal beyond undergraduates to professionals and academics in related fields
