le monde est en ruines deux millions de gens vivent désormais sous l étroite surveillance des anges démoniaques mais décidés à poursuivre la lutte willow alex et seb entraînent une nouvelle équipe de tueurs d anges ils sont l unique espoir de l humanité l amour d alex et de wilow survivra t il à cet ultime combat l embrasement final d une trilogie enivrante puissante comme un sortilège

in the devastated remains of the world millions of people live in edens provided by the angels who have all but enslaved humanity as the angelic stranglehold on humanity tightens willow and alex are recruiting and training new angel killers while struggling to hold ground on the celestial battlefield willow continues to struggle with feelings for seb and her love and resolve are tested as a shattering revelation sends alex on a separate journey now that the final battle versus the angels is about to begin and the fate of the world hangs in the balance each of them must face the consequences of their own choices will love endure will the human race survive

j ai écrit plus de quarante livres des albums des romans pour adolescents et beaucoup de séries pour jeunes lecteurs mais la trilogie angel est ma première oeuvre pour jeunes adultes et je dois avouer que parmi tout ce que j ai écrit c est également ma préférée l a weatherly

in book two of l a weatherly s wildly romantic action packed trilogy the angels are back with a vengeance and they don t have heaven in mind in the wake of the second wave the angel menace has exploded and alex and willow are on the lam willow s prophetic dream points them to mexico city where they connect with a fledgling group of angel killers led by the exotically beautiful kara an angel killer from alex s past but the team remains suspicious of willow even after the more experienced alex takes over as leader training them hard for a rush attack on the seraphic council or the twelve this elite group of all powerful angels is also under the scrutiny of willow s angel father raziël who has his own sinister plan to defeat them what willow hasn t told alex is that there was also a mysterious boy in her dream one she felt overpoweringly attracted to when brooding gorgeous seb shows up in the flesh he turns out to be another possibly the world s only other half angel he s been searching for willow all his life and when alex enlists this rival to help keep willow safe he can t predict what chemistry will pass between them or how far willow might go to keep alex safe will their love endure or spell doom for the human race
