this collection of essays the product of the 8th annual conference of the africa society of evangelical theology wrestles with the topics of god and creation from

distinctly african perspectives touching on topics from environmentalism to ethnic conflict to childlessness the contributors present a powerful and timely reflection on the nature of god as creator and the implications of that identity on our relationship with the divine with the earth and with each other highlighting the rich wisdom of african voices this book explores the particularities and complexities of an african cultural context while presenting biblical truth that extends beyond geographical limits anyone interested in thinking theologically about our role in the universe god has made or what african culture in dialogue with scripture has to teach us will find this book to be an invaluable resource

few things expose our priorities and values the way money does seen through the lens of scripture tom copland s new title financial moments is an insightful guide for how to manage finances according to god s wisdom with sincerity and sound advice the book addresses the heart of our motivations and responsibility to god this accessible practical resource is a combination of his four decades of experience and rich biblical knowledge the book is filled with scripture passages and real life anecdotes and addresses topics including saving planning for the future getting out of debt budgeting obtaining godly counsel giving generously investing financial deceptions stewardship and avoiding relational conflicts over money

a biblical practical look at how couples can restore warmth and vitality to their marriages written both for newlyweds and those who have been married for years

this book will appeal to the curiosity of people interested in the movements of the ewe population from ancient egypt to its present location straddling three western african countries namely benin formerly dahomey togo and ghana formerly gold coast the book also highlights the saga of an anlo couple fleeing from the mysterious death of their children in tegbi a coastal ghanaian village the origin of the husband it chronicles social religious and political life in the late 1800s and early 1900s in mission tove a togolese hamlet where husband and wife ultimately settled and begat their two surviving children a window is also opened into the life of the descendants of one of these children representing the ninth generation of togbi atsu

madokpui wenya the leader of the ewes who founded the anlo community in the gold coast

the most significant financial problem that people face today is the accumulation of debt now gravely aggravated by inflation and high interest rates god s word the bible has incredible wisdom on finances but most people including most christians only understand tithing which represents about 3 of the 2300 references to money and material things so there s 97 of the scriptures that most people need to learn this newest book by tom copland debt reduction biblical principles to deal with inflation high interest rates and eliminating debt follows on the heels of his first successful books financial moments biblical principles that will transform how you manage money and financial management god s way that taught money management according to god s instructions in the bible using in depth biblical financial studies with numerous real life case studies this new book focuses on the issue of debt its destructive power and provides god s wisdom of how to get out of debt with real life practical applications learning and applying the biblical financial principles that tom presents here will equip the readers with the knowledge and wisdom needed to reduce and eventually totally eliminate debt including dealing with inflation and high interest rates and experiencing god s peace in the area of finances

time management god s way stands apart from other books it is based on god s perspective that he is the giver of time and the authoritarian on how we should manage it according to kingdom values and standards ordained before the foundation of the world time management god s way gives great insight into how believers can live a stress free and prosperous life by applying the principles of matthew 6 33 sowing your time in god s kingdom and reaping more time to do all that you were created to do rev gloria adams has a heart for the great commission to share the gospel of jesus christ with all who will listen she uses the platform of teaching the word of god at seminars bible studies workshops through writing books and going on mission trips as directed by the holy spirit in order to reach people for christ the most valuable commodity we possess is time it is the currency of life we become whatever we purchase with our time in essence how we use our time

determines our life in this work gloria adams offers one of the most valuable contributions i have ever read on the subject and i highly recommend it to all who want to improve their management of life s most valuable asset dr myles munroe nassau bahamas

the first book to explain how managers can prevent hostile work environment accusations corporation after corporation has seen seemingly harmless misunderstandings and jokes between employees mushroom into headline making incidents multimillion dollar courtroom judgments and unrelenting pr disasters the manager s guide to preventing a hostile work environment explains how to stop such problems before they begin the first book to look at the legal threat of hostile work environment claims from the manager s viewpoint it provides proactive techniques and behaviors to spot employees that may unknowingly be creating a hostile work environment intervene while a problem is still manageable and before legal action is threatened apply a seven step process to resolve perceptions of harassment or unfair treatment based on sex race disability religion and age managers play the most critical role in preventing hostile work environment harassment but are generally given little or no training the manager s guide to preventing a hostile work environment shows managers and supervisors how to recognize and address inappropriate or insensitive behavioral problems in the workplace before they lead to high cost lawsuits and incalculable costs in the court of public opinion
