it s never too late whether you re a new christian or you ve walked the road for decades it s never too late to find the critical truths that make life make sense we often start out believing that common sense will be enough that we re prepared for the road ahead with our good values and quick thinking it doesn t take long to learn otherwise a broken friendship an obsessive career financial distress even empty success we come back to god searching for insight for hope and he provides nothing can replace studying the bible best selling author and pastor charles swindoll has spent decades studying its

---

pages and teaching its precepts but if sixty six books seem overwhelming the owner s manual for christians is the perfect starting place a biblical summary of the major truths that anchor the christian life from grace to freedom these chapters walk the reader through the keys to a life well lived drawn from the creator of life itself life is often confusing but it does not have to be impossible read the owner s manual for christians and find hope for the road ahead

this step by step manual was developed to help people from all walks of life to achieve their health and fitness goals millions of people all over the world continue to suffer from preventable diseases such as hypertension diabetes and cardiovascular disease many suffering from these diseases experience increased healthcare cost lowered quality of life shorter life expectancy and many other ill effects of poor health this book is aimed at arming people with the information that they need to reduce their risk of suffering from these debilitating diseases professional athlete health and fitness activist american college of sports medicine certified trainer and national academy of sports medicine weight loss specialist george dorsey created this manual to fill this information gap and to provide to everyone the techniques strategies and tools that health and fitness professionals use to create the most effective

in 2016 americans fed up with the political process vented that frustration with their votes republicans nominated for president a wealthy businessman and former reality show host best known on the campaign trail for his sharp rhetoric against immigration and foreign trade democrats nearly selected a self described socialist who ran on a populist platform against the influence of big money in politics while it is not surprising that americans would channel their frustrations into votes for contenders who pledge to end business as usual the truth is that we don t have to pin our hopes for greater participation on any one candidate all of us have a say if we learn master and practice the skills of effective citizenship one of the biggest roadblocks to participation in democracy is the perception that privileged citizens and special interests command the levers of power and that everyday americans can t fight city hall that perception is undoubtedly why a 2015 pew charitable trusts survey found that 74 percent of those americans surveyed believed that most elected officials didn t care what people like them thought graham and hand intend to change that conventional wisdom by showing citizens how to flex their citizenship muscles they describe effective citizenship skills and provide tips from civic experts even more importantly they offer numerous examples of everyday americans who have used their skills to make democracy respond the reader will see themselves in these examples of citizens who chose to be victorious participants rather than tranquil spectators in the arena of democracy by the end of the book you will have new confidence that citizen participation is the lifeblood of america and will be ready to make governments work for you not the other way around

as every parent knows infant technology isn t quite user friendly and first timers have plenty of frequently asked questions how does one get the baby to sleep through the night what is the recommended way to swaddle a baby when is it necessary to bring a baby to a physician for servicing the baby owner s manual has the answers with step by step instructions helpful schematic diagrams trouble shooting tips and advice on lifelong maintenance this manual skips the warm and fuzzy illustrations and cuts right to the dirty diapers

a basic resource for drummers subjects covered include maintenance and selection drumheads tuning and muffling drumsticks brushes mallets and beaters cymbals drumset hardware and cases
