selected for inclusion in preaching magazine s annual review of outstanding books for preachers 2006 the apostolic fathers were authors of  
nonbiblical church writings of the first and early second centuries these works are important because their authors clement i hermas ignatius of  
antioch polycarp and the author of the epistle of barnabas were contemporaries of the biblical writers expressing pastoral concern their writings  
are similar in style to the new testament some of their writings in fact were venerated as scripture before the official canon was decided the

apostolic fathers and the new testament provides a comparison of the apostolic fathers and the new testament that is at once comprehensive and accessible what genres letters miracle stories etc appear in what ways what apostolic fathers seem to reflect which passages in the new testament what themes appear in both bodies of literature how did the apostolic fathers adopt and adapt images from the new testament how do the new testament and the apostolic fathers contribute to our understanding of how early christians understood themselves in relation to the mother faith of judaism any attempt to compare the apostolic fathers and the new testament faces the difficulty that each set of writings represents diverse authors and historical contexts within the early church as a result scholars who work in the field have typically restricted their research to individual authors and writings thus it has been difficult to come to any general observations about the larger corpus after carefully examining images themes and concepts found in the new testament and the apostolic fathers jefford posits some general observations and insights about the beliefs of the early church

the apostolic fathers is a collection of early christian writings from the late first and early second centuries traditionally considered to have been written by those connected with the apostles and therefore reflecting authentic apostolic teaching the apostolic fathers an essential guide explains the nature of the collected writings as they stand between the world of the new testament and later christian writers focusing upon what the texts say about ancient christian thinkers early church developments and the evolution of theological ideas prior to the great ecumenical councils throughout the spiritual journey god s love engenders within every christian active contemplative and solitary inclinations consequently each person wants to do some good to have a basic receptivity to god and at times to be alone with god as life unfolds god s love also calls forth

within a person an overriding attraction toward one of those three orientations which in due course impels the individual toward a corresponding vocational lifestyle an apostolic life a contemplative life or an eremitic life in this book the authors identify the core features of those three vocational lifestyles in light of each vocational core they then discuss an ensemble of signs and patterns that point to an authentic calling from god this study offers wisdom and insight to those pondering the mystery of their personal vocations to those discerning their vocational direction and to spiritual directors formation personnel ecclesial leadership and christian educators who accompany them in their quest
