william m denevan writes that the discovery of america was followed by possibly the greatest demographic disaster in the history of the world research by some scholars provides population estimates of the pre contact americas to be as high as 112 million in 1492 while others estimate the population to have been as low as eight million in any case the native population declined to less than six million by 1650 in this collection of essays historians anthropologists and geographers discuss the discrepancies in the population estimates and the evidence for the post european decline woodrow borah angel rosenblat william t sanders and others touch on such topics as the indian slave trade diseases military action and the disruption of the social systems of the native peoples offering varying points of view the

contributors critically analyze major hemispheric and regional data and estimates for pre and post european contact this revised edition features a new introduction by denevan reviewing recent literature and providing a new hemispheric estimate of 54 million a foreword by w george lovell of queen s university and a comprehensive updating of the already extensive bibliography research in this subject is accelerating with contributions from many disciplines the discussions and essays presented here can serve both as an overview of past estimates conflicts and methods and as indicators of new approaches and perspectives to this timely subject

for centuries the illuminati have been planning to gather all power into their few hands and control the world they have been setting the stage with constant wars designer diseases and death camps and now are ready to unleash their boldest move yet mass depopulation to empty the world for only their use robert greyeagle exposes these elite demons and warns behold a pale horse

to those who have a fairly good background in the hard sciences maybe ezekiel really did mean horses and ancient armor the swords of ezekiel accepts the plain teaching of the text that the magog raiders wield weapons from the generation before the gunpowder revolution and use horses for transportation consequently the narrative that emerges is a dramatic departure from the generally accepted modern weapons teaching of present day scholars in this alternative understanding the two chapters are complementary descriptions of the same series of events i e one has details that the other does not have the chronological narrative emerges when the two segments are properly aligned like a spline gear on a drive shaft thoroughly referenced this is the book to read for a better understanding of the relationship between natural science european history legend as guide to history art as secular prophet archaeology outside the near east and bible prophecy the primary motives for the raid are anti israel resentment jealousy and near starvation levels of crop failure hunger the absence of modern weapons is explained as a combination of industrial collapse and an as yet unobserved destabilization of nitrate based propellants and explosives the merchants of tarshish are identified as the british commonwealth based on cultural heritage mineral resources geography and geopolitics the swords of ezekiel also suggests a location for these events on the prophetic timeline

this book uses ethnographic analysis to examine the issues surrounding power and empowerment it presents material drawn from across the world to explore how traditionally disempowered groups gain influence in multicultural settings

a fascinating work of detective history the black death traces the causes and far reaching consequences of this infamous

outbreak of plague that spread across the continent of europe from 1347 to 1351 drawing on sources as diverse as monastic manuscripts and dendrochronological studies which measure growth rings in trees historian robert s gottfried demonstrates how a bacillus transmitted by rat fleas brought on an ecological reign of terror killing one european in three wiping out entire villages and towns and rocking the foundation of medieval society and civilization

at a time when each society had its own medium of propagation of its researches in the form of transactions proceedings journals etc a need was strongly felt for bringing out a journal devoted exclusively to the study and advancement of indian culture in all its aspects this encouraged jas burgess to launch the indian antiquary in 1872 the scope was in his own words as wide as possible incorporating manners and customs arts mythology feasts festivals and rites antiquities and the history of india another laudable aim was to present the readers abstracts of the most recent researches of scholars in india and the west indian antiquary also dealt with local legends folklore proverbs etc in short indian antiquary was entirely devoted to the study of man the indian in all spheres introduction to facsimile volumes published 1985

this book is about the corona virus and all the events that have taken place it helps to unfold the truth and lies involved the hidden agenda of the elites and all what is going on under the carpet it is a controversial book about the conspiracy theory going on behind the mask and those responsible the dangers ahead how to escape it it tells the dark secret behind the covid 19 scenario read and be enlightened
