the first volume in a four part language course this textbook enables students to start speaking and understanding the spoken language in the early sections the focus is on familiarizing the learner with the unfamiliar sounds of the language and the structures of burmese sentences after this foundation the emphasis changes to acquiring the words and phrases needed for early encounters with burmese speakers in burma and elsewhere in the world numerous speaking exercises and

practice dialogs feature travel topics such as asking for directions taking taxis and ordering food and drink and common conversational topics such as introductions family and work because burmese script can be challenging okell offers roman transcription alongside the burmese script for burmese material throughout the text like the other titles in this series book 1 is accompanied by audio files and can be used either under the instruction of a teacher or for self study the series was developed over a period of several years and was tested modified and expanded after use in the classroom language professors and their students or those learning burmese on their own will appreciate the accessible approach and the manageable size of the lessons of the very practical textbooks in this series

book two in this series that could be used alone or alongside alongside burmese myanmar an introduction to the script builds on the topics covered in the first book introducing a more vocabulary and more complex structures all new vocabulary is given in burmese script english translation and transliterated text whereas familiar dialogue and reading writing exercises may be in burmese only includes detailed grammatical information and lots of cultural tips for travellers free audio files from niupress niu edu accompany this course

the first volume in a four part language course this textbook enables students to start speaking and understanding the spoken language in the early sections the focus is on familiarizing the learner with the unfamiliar sounds of the language and the structures of burmese sentences after this foundation the emphasis changes to acquiring the words and phrases needed for early encounters with burmese speakers in burma and elsewhere in the world numerous speaking exercises and practice dialogs feature travel topics such as asking for directions taking taxis and ordering food and drink and common conversational topics such as introductions family and work because burmese script can be challenging okell offers roman transcription alongside the burmese script for burmese material throughout the text like the other titles in this series book 1 is accompanied by audio files and can be used either under the instruction of a teacher or for self study the series was developed over a period of several years and was tested modified and expanded after use in the classroom language professors and their students or those learning burmese on their own will appreciate the accessible approach and the manageable size of the lessons of the very practical textbooks in this series

the third volume in a four part language course this textbook enables students to become competent in reading and writing burmese script most students find it helpful to begin learning the script at the same time they start on the spoken language but this volume can be used independently if preferred in addition to lists of words for reading and writing practice presented in a series of short graduated lessons okell includes sample texts from burmese materials such as product labels

newspaper headlines and maps appendices on handwriting and cursive forms display fonts the burmese names of the characters burmese alphabetical order and common abbreviations round out the book one of the challenges of learning a non roman script language from traditional course books is that the use of the rroman alphabet to describe sounds is not as effective as hearing the sounds the extensive audio files that accompany this volume allow the learner to hear and produce the sounds corresponding to the symbols language professors and their students or those learning burmese on their own will appreciate the accessible approach and the manageable size of the lessons of the very practical textbooks in this series

statecraft in myanmar previously referred to as burma has a lineage going back ten centuries or more while the state today is expected to provide many other services for a vastly larger population than were its pre modern predecessors its basic functions of maintaining order controlling economic distribution and ensuring the perpetuation of itself and its elite managers remain much the same the tools available now to do so may be different and the challenges it faces may have grown but the issues it addresses would be familiar to the predecessors of the modern rulers of myanmar myanmar with its estimated population of about 55 million the 24th largest country in the world is larger than england with a territory as big as texas it is wedged between the two of the oldest civilizations and now dynamic economies on the globe india and china having been influenced by both india and china for centuries myanmar has developed its own cultural distinctiveness in contrast with its near neighbors in southeast asia especially thailand laos cambodia and vietnam once governed as a british indian province myanmar emerged from the colonial era and the second world war an economically devastated but strongly nationalistic socialist state riven since independence by armed ethnic and ideological conflicts that lasted most of the years between 1948 and the 1990s when ceasefire agreements were reached with multiple insurgent armies myanmar s little studied politics contain elements common to many countries however in few have the complexity of forces historical and contemporary religious and secular foreign and indigenous come together in one place to create so many little understood and seemingly irresolvable political issues the state in myanmar attempts to draw the complex history of state making and state perpetuation in myanmar in one volume the social and economic forces as well as international and domestic issues which have made myanmar one of the poorest and least understood asian countries are discussed the efforts of myanmar s kings british colonial officials nationalist politicians socialist ideologues and army generals to preserve the state in myanmar is a history worth attempting to understand on its own terms

on the post 1988 politics of burma

historical dictionary of myanmar also known as burma

no country in asia in recent years has undergone so massive a political shift in so short a time as myanmar until recently the former british colony had one of the most secretive corrupt and repressive regimes on the planet a country where nobel peace prize laureate aung san suu kyi was held in continual house arrest and human rights were denied to nearly all yet events in myanmar since the elections of november 2010 have profoundly altered the internal mood of the society and have surprised even burmese and seasoned foreign observers of the myanmar scene the pessimism that pervaded the society prior to the elections and the results of that voting that prompted many foreign observers to call them a sham or fraud gradually gave way to the realization that positive change was in the air in this updated second edition of burma myanmar what everyone needs to know daved i steinberg addresses the dramatic changes in the country over the past two years including the establishment of a human rights commission the release of political prisoners and reforms in health and education more than ever the history culture and internal politics of this country are crucial to understanding the current transformation which has generated headlines across the globe geographically strategic burma myanmar lies between the growing powers of china and india yet it is mostly unknown to westerners despite being its thousand year history as a nation burma myanmar is a place of contradictions a picturesque land with mountain jungles and monsoon plains it is one of the world s largest producers of heroin though it has extensive natural resources including oil gas teak metals and minerals it is one of the poorest countries in the world and despite a half century of military dominated rule change is beginning to work its way through the beleaguered nation as it moves to a more pluralistic administrative system reflecting its pluralistic cultural and multi ethnic base authoritative and balanced burma myanmar is an essential book on a country in the throes of historic change what everyone needs to know is a registered trademark of oxford university press

the digital review of asia pacific provides an overview of how information and communication technology ict is being diffused throughout the asia pacific region to facilitate socio economic development this third annual review provides an analytical overview of the state of ict4d in the asia pacific region it covers 31 countries and economies including for the first time north korea each country is dealt within a separate chapter which attempts to provide comprehensive coverage of the various aspects of ict4d in the concerned country at the time of writing in 2006 the chapters have been written by a team of authors representing different sectors such as government academia industry and civil society

vols for july 1964 include proceedings of the gemmological association of great britain
