kleptomaniac who s really robbing god anyway is a trek through the pages of the bible to find the untwisted truth about the centuries old teachings on tithes and offerings every page of this book has information that will make you become an analyst in getting to the bottom line of what tithing is in the old and new testament it takes you on a journey to first define the word tithe and then breaks down the differences between giving and tithing as the bible instructs the author attempts to expose what most people believe as fact to bring them to what the bible actually teaches when it comes to true giving are the arguments put forth today about tithing fact or fiction this book tackles tough questions like did god ever require a tithe of money was the contents of the tithe always money in the bible who is really robbing god today did god change the tithe at some point in biblical history are first fruits money is the tithe food money or both is the church the storehouse did jesus paul and the disciples tithe did the early church honor a money tithe system are christians really cursed for not tithing ten percent of their income these questions will be answered based on scholarship the land the language and the literature of the original biblical people not only will questions be answered for those confused about whether or not they are

required to pay ten percent of their income to any religious institution they will learn what the bible really teaches about money and stewardship the author meticulously examines the word tithe in both the hebrew and greek language to understand every bible verse that contains the word tithe the author gives context and definitive definitions for clarity of the text this book also explains the concept of giving from a new testament perspective without the mandate of ten percent and explains why the apostle paul never mentioned tithing to any of the new testament congregations from genesis to revelation this book is about how to properly interpret biblical terms to arrive at the proper interpretation of a biblical text that refers to money or tithing because there are pros and cons about tithing the author examines both tithing and non tithing theological camps and presents analysis and conclusions so that the reader can make an informed choice as to how they will give in the future since money is vital in every part of society and the church this book spends a considerable amount of time detailing how money was used in the bible to help readers know the difference between tithes and money the tithing phenomenon has been around for centuries and this book is an expose into the how the current doctrine came into existence and who the culprits were who played a major role in what churches teach today whether you agree or disagree with tithing as a viable doctrine kleptomaniac is a back to the past look at israel s history and how they practiced tithing in a theocracy this book also questions how tithing practices of today affect people financially and how those practices are unlike tithing practices of yesterday not only does this book challenge the accepted definitions of the tithe it also questions the sustainability of the current practices especially when economic times get tough for people who may not be able to give much from the very beginning to the end of the book everything is supported by scripture and research you will know from the onset why the author dr frank chase jr wrote the book and learn about his personal story of what happened as a result of embracing new covenant giving principles from the new testament not only does the book cover the old testament tithe it also unveils what the new testament teaches about giving by analyzing some of the epistles of apostle paul concerning his views and instructions on charitable giving

a vivid portrait of the early years of biblical archaeology from the acclaimed author of 1177 b c the year civilization collapsed in 1925 famed egyptologist james henry breasted sent a team of archaeologists to the holy land to excavate the ancient site of megiddo armageddon in the new testament which the bible says was fortified by king solomon their excavations made headlines around the world and shed light on one of the most legendary cities of biblical times yet little has been written about what happened behind the scenes digging up armageddon brings to life one of the most important archaeological expeditions ever undertaken describing the stunning discoveries that were made there and providing an up close look at the internal workings of a dig in the early years of biblical archaeology

often compared to william shakespeare jane austen s genius was her cast of characters so timeless and real that readers know them in their own families and neighborhoods today her book s universal themes love and hate hope and disappointment pride and prejudice sense and sensibility still tug at heartstrings in cultures spanning the globe jane austen lived during some of the most important events in history the american revolution the french revolution british expansion in india and the napoleonic wars she wrote about daily life in england as she knew it growing up a clergyman s daughter among the upper class of landowners providing readers with a window into the soul of a lively imaginative and industrious woman in an age when most women were simply obscure shadows among society a time line resources for

further study places to visit and 21 enriching activities round out this great resource for any reader looking for the woman behind the words

the encounter with god is a shocking and surprising event for most of us we just weren't expecting to sense the presence of god but there it was unnerving and unexpected leaving us a bit bewildered as to what comes next some perhaps the many will simply shake it off and return to everyday life but the few realizing this was the real deal sense the need to look deeper to chase after god as he moves on down the trail this book provides the insights and wisdom of the many who have chased after god before you they have left you clues along the way if you know where and how to look the trail is easy to spot but sometimes difficult to trek nonetheless for the brave hearts the reward makes every step worth the effort time to get going god is already on the move

dr sweet outlines the necessity of essential relationships and how to develop them

maybe you've never asked the question out loud but you've wondered you do the things that look good on paper read your bible pray attend study groups and go to church on sundays but you aren't convinced you really know him angie smith understands because she had run circles around the same paths searching for him frustrated at her lack of progress and she probably would have continued to do so had it not been for one realization that changed everything she wasn't following god she was trying to catch up with him and without realizing it you may be as well it's a distinction that affects every aspect of our lives with christ and it begins with learning where we've relied more on man's explanation of god than god himself so many requirements so many rules and so much guilt where there is supposed to be freedom it's the reason you wonder if you've measured up and the nagging voice that tells you you're a failure as a christian three simple words changed everything for angie and she believes they can do the same for you stop chasing god

american literature and american identity addresses the crucial issue of identity formation especially national identity in influential works of american literature patrick colm hogan uses techniques of cognitive and affective science to examine the complex and often highly ambivalent treatment of american identity in works by melville cooper sedgwick apess stowe jacobs douglass hawthorne poe and judith sargeant murray hogan focuses on the issue of how authors imagined american identity specifically as universal democratic egalitarianism in the face of the nation's clear and often brutal inequalities of race and sex in the course of this study hogan advances our understanding of nationalism in general american identity in particular and the widely read literary works he examines

in one of the few women's diaries from civil war era texas a northerner trapped in the confederacy at the outbreak of war recounts her experience lucy pier stevens a twenty one year old woman from ohio came to visit her aunt's family near bellville texas on christmas day 1859 little did she know how drastically her life would change on april 4 1861 when the outbreak of the civil war made returning home impossible stranded in enemy territory for the duration of the war how would she reconcile her northern upbringing with the southern sentiments surrounding her lucy stevens's diary offers a unique perspective on daily life at the fringes of america's bloodiest

conflict an educated and keen observer stevens took note of everything the weather illnesses food shortages parties church attendance chores schools childbirth death the family s slaves and political and military news as stevens confided her private thoughts to her journal she revealed how her love for her texas family and the confederate soldiers she came to know blurred her loyalties showing how the ties of heritage kinship friendship and community transcended the sharpest division in us history this rare diary and vicki adams tongate s insightful historical commentary on it provide a trove of information on women s history texas history and civil war history

in this research topic our aim is to examine how personal resources related to competencies skills and self perception as well as environmental contextual and relational features of the social contexts of diverse youth directly or indirectly are important to mental health and psychological well being as previous research on young people has mainly focused on youth s weaknesses rather than their strengths our use of positive youth development pyd in working with culturally diverse youth and their well being in this research topic is novel we invite contributions from researchers that were initially presented their papers in a meeting that was held by research partners of the cross national project on positive youth development cn pyd and who represent an international and multidisciplinary panel of experts on pyd the cn pyd was initiated in 2014 at the university of bergen and has an ongoing data collection that involves approximately 10 000 minority and majority youth and emerging adults ages 16 to 29 living in africa asia australia europe new zealand and south america cn pyd uses a strengths based approach to the conceptualization of youth as resources and agentic which is in opposition to the view of the developmental period of adolescence as being a period inherently fraught with problems and risks the goal of the cross national project is to assess personal strengths and contextual resources considering how these resources come together to facilitate youth thriving and to document how young people make positive and valued contributions to themselves and others we also advance research on the complex interplay between personal and contextual resources and their connections with risk behaviors and problems in essence taking a perspective of the whole child both in terms of strengths and problems

in the hustle and bustle of our daily lives we sometimes forget that we were made for fellowship with god for friendship for worship we lose sight of our creator as we chase down the creation building idols for ourselves that try to block out the light of god but god s glory cannot be blocked he remains an ever bright light our northern star when we are lost in the chaos of this world as believers we have been called to more than service we are called to a relationship with god through christ which starts with our dedication to him and carries on when we pass over into an eternity in his kingdom our lives on earth are merely temporal a transitional period affording us the opportunity to build the kind of relationship we seek to have with god for eternity this relationship and closeness to god is not merely a point to achieve rather a lifelong journey we undertake this book is to serve as a guide to the seeking and wandering soul to help us find our way back into the arms of the one who loves us beyond reason to help us find our way back home

thinking about you and your relationship with god this is a series of questions and answers that come from the heart i hope they help you and comfort you

god is passionately pursuing you there is a notion in our world that we must find god that it is on our shoulders to search for a hidden god if god had not or does not

reveal himself we would not even know that there is a god he is self revealing and on a mission to provoke a response in us he pursues us in three fundamental ways first the act of creation itself is an incredible act of pursuit by god he is the creator artist with his masterpiece in mind and we are part of the tapestry of creation second the act of inspiring a book the bible to codify his message demonstrates god as divine author pursuing us through his written word finally the act of the incarnation is the crowning act of pursuit christ the incarnate son of god is on a mission to rescue the love of his heart it is the perfect fixing the broken the highest becoming the lowest the resurrected lifting the dying from the very grave gods pursuit of us takes place on his dance floor his universe his masterpiece his pursuit unfolds throughout history on our battlefields in our crucibles and through our worst trials he brings the scars of his crucible the cross into our crucibles and rescues us in responding to our pursuing god we find our greatest healing

in chasing god serving man tenney calls for a forging together of the passion for god and compassion for man the key is for god's people to cross the dividing line of passion and compassion and meet him at the junction of the cross the single point in time and space where passion for his presence crosses with compassion for his highest creation

what is a god chaser a god chaser is an individual whose hunger exceeds his reach a god chaser is a person whose passion for god's presence presses him to chase the impossible in hopes that the uncatchable might catch him a child chases a loving parent until suddenly the strong arms of the father enfold the chaser the pursuer becomes the captive the pursued the captor back cover

this expanded edition of the original best seller includes a daily devotional for personal reflection and a study guide a god chaser is a person whose passion for god's presence presses him to chase the impossible in hopes that the uncatchable might catch him a child chases a loving parent until suddenly the strong arms of the father enfold the chaser the pursuer becomes the captive the pursued the captor paul put it this way i chase after that i may catch that which has apprehended me phil 3 12 the passionate paths of god chasers can be traced across the pages history from moose the stutterer david the singer and paul the itinerant preacher to contemporaries like a w tozer leonard ravenhill and countless others who share one common bond an insatiable hunger to know their lord

most of us focused intently on the device now guiding our lives those precious mobile phones occasionally bump into someone or something unexpectedly typically we offer a polite excuse me and off we go but what if you bumped into god more to the point what if god intentionally bumped into you caught your attention for the briefest moment challenged you to come on and off god went stunned and a bit unnerved you're left with that awkward decision was that really god what do i do now should i chase after god for many so begins the unexpected chase after god this book the continuation of chasing god 2017 provides the insights of previous chasers who bumped into god and felt the urge perhaps the need to chase after god the experiences of veteran god chasers provide helpful and sometimes humorous musings into the chase after god their trail well worn by countless god chasers is easy to spot but sometimes difficult to trek nonetheless for the bravehearts those willing to endure the

challenges the reward makes every step worth the effort in the blink of an eye god is slipping through the crowd bumping into others equally shocked inviting them to follow along as well hurry the elusive god is on the move again

we are so quick to say we want more of god but is that really true as strange as it may sound the most misunderstood misrepresented and potentially the most feared person in christianity may very well be god himself even seasoned christians often view god as frightening untrustworthy and distant but nothing could be further from the truth author and filmmaker darren wilson takes a funny yet poignant romp through scripture revealing a long time christian s hang ups and fears of a god he was supposed to love wilson looks at questions such as is god selfish silent distant and constantly disappointed in you how do you love someone you can t see and who has the power to punish you at any moment how can a loving god throw people into hell simply for not believing in him wilson encourages readers to be honest with themselves and with god he challenges us to face the things many christians struggle with but are too afraid to talk about because everyone else seems to have this faith thing figured out he believes god isn t afraid of our questions doubts fears or even our anger the secret to peace and friendship with god lies in understanding who he really is

god chasers often start young if there s a driving passion in your life for more of god chances are you know a teen who hungers in the same way this edition of the bestseller the god chasers will inspire a whole new generation of believers to seek god with all their hearts it s in your face whether you are alternative conservative or extreme
